Transit Report Map Outlines, Shows Three New Routes in Central County

The "Public Transit Plan for the Alameda-Contra Costa Transit District," prepared by a San Francisco firm, has provision for "new local routes" affecting Walnut Creek and Pleasant Hill, Lafayette and Orinda, and for several more affecting Concord, maps reveal.

Although it was not evident how often busses bought and paid for under a proposed $16,900,000 bond issue will run along these new routes, the report did refer to "new services in outlying and sparsely settled areas."

IT SAID THAT except for those stipulated areas getting "new service", intervals between buses on normal weekdays "should not exceed 30 minutes during the off-peak periods."

The frequency for "new service" areas was not stipulated.

The report did say, however, that "In the absence of any specific indication of the precise type of urban development in these (editor: outer Contra Costa) areas . . . no attempt has been made to indicate the scope or the exact character of such additional service."

The new routes in Walnut Creek and Pleasant Hill are as follows:

1. North along Main Street to Lacassie, west on Lacassie to Oakland Boulevard, right on the boulevard and across the new freeway on Buena Vista Avenue, west on San Luis Road, north on Larkey Lane, east on Geary Road, north on Putnam, Patterson, Soule and Kahrs. Then east on Gregory Lane, north on Elinora, west on Kathleen, east on Mary and Roche, east on Harriett, north on Contra Costa Highway, east on Willow Pass Road to Concord.

2. **ANOTHER** Walnut Creek route goes east on Ygnacio Valley Road to the Eichler subdivisions, and a third goes southeast from Mt. Diablo Boulevard and Main on San Miguel to the Blackwood Drive area.

The map also describes present routes along Mt. Diablo Boulevard, in the central county and north and south on Highway 21, the northerly route veering to the east on Monument Boulevard, in Pleasant Hill.

The inch-thick booklet otherwise describes the details of financing and new facilities.

It states, "It is recommended that a $16,900,000 bond issue be considered. We have assumed that $12,000,000 in 25-year bonds would be sold in the initial year, with only interest payable the first year.

THE REMAINDER of the bonds, a 24-year issue, would be sold in the second year.

"The amortization of the total $16,900,00 bond issue over a 24-year period would start in the second year," it said.

Breakdown of expenses would be as follows: purchase of 334 new buses—$7,900,000; acquisition of 276 Key System and affiliated buses, $3,300,000; acquisition of land, etc., owned by Key and affiliates—$3,800,000.

Also acquisition of 40 Western Greyhound Lines buses—$400,000; new bus maintenance and storage terminals at Concord and Hayward, and contingencies incidental to acquisition of capital equipment — $1,500,000.

THE REPORT WAS presented by DeLeaw, Cather and Company of San Francisco to the Two-County Transit District directors last night.

Earlier, John Worthington, new general manager of the district said the program would involve a bond issue, which might be presented to the voters of Alameda and Contra Costa Counties in November, but he added that no tax rate increase is expected.

He said that increased patronage should bring in additional revenue for capital improvements, without a tax raise.

New Sewer Main to Serve Orinda

European Students Here To Study at Miramonte

By BILL HINES

An adventure in international understanding gets under way next week at Miramonte High School.

Already settled with the friendly families with whom they will spend the coming school year are the youthful representatives of Norway and Switzerland, brought here under the American Field Service program.

THEY ARE Tore Lindholm, 17, of Skien, Norway, whose new home is with the Abe Dotys at 349 Glorietto Boulevard, Orinda, and Brigitte Hageli, 16, of Basel, Switzerland, who is living with the James E. Lindsays at 14 Oak Drive in Orinda.

The exchange program works both ways, it was pointed out by Mrs. Sig Groennings, AFS chairman for Orinda. An Orinda girl, Linda Lancione, daughter of Mr. and Mrs. Weido Lancione of 212 El Toyanal, is now with her "adopted" family in Rouen, France, where she will attend school this fall and winter.

IN BRIEF biographical sketches both the girl from Switzerland and the boy from Norway told something about themselves:

"Different sports are of interest to me," Brigitte wrote. "Water-ski is one of my favourites. Four years ago I had the chance to learn it on a river by Kaiseraugst. It is a village about 10 miles from Basel. The River Rhine is dammed up there, and it looks like a small sea.

"Our parents bought us an old small paddleboat, and so we spend a lot of beautiful hours upon the water. One Sunday we saw a man on water skis. I asked him to give me some lessons. Every Sunday he teaches me, and now I am very keen on it.

"Another sport I like is Light-athletics. Throwing spears, running, swimming, rowing, and sailing belong to this kind of sport.

"ENGLISH IS the most important language, and it would be the best chance for learning it in the United States of America. In Switzerland one hears a lot about the bad education of American children, and I should like to know if it is really the truth."

Tore wrote, "I am a member of various organizations such as the Boy Scouts, and a Scandinavian society called "Norden." At present I am a first class Boy Scout, also a patrol leader. There are several reasons I like scouting.

"It emphasizes love of nature through the hikes and trips in the forest and mountains, and encourages international friendship. This I experienced last summer when I attended the World Jubilee Jamboree in England. I now correspond with boys from different parts of the world.

"I AM VERY fond of music, and I spend a lot of time cultivating my musical interests. I have played the piano for almost nine years, and my favorite composers are Bach, Mozart, Chopin, Debussy and Grieg. Some friends of mine have started a kind of band, and I enjoy playing in it. Painting and drawing also interests me.

"I hope to get new impulses from American schools and adopt some of those in Norwegian schools where it may seem profitable," Tore concluded after noting that he wishes to become a teacher.

"I am convinced that it would be very interesting to see how people live in the United States compared with life in Norway. Through my conduct and speech I also hope to be able to show the Americans how Norway and the Norwegians really are.

Pleasant Hill Youth Is Killed In Auto Crash

An automobile crashed into a tree early Sunday in Pleasant Hill, killing one youth and injuring three others, all from Pleasant Hill.

Killed instantly when thrown from the rear seat of the car into the dashboard was Douglas Eugene Thorne, 20, 26-A Richie drive.

INJURED WERE Ralph Milton Sorensen, Jr., 19, 178 Margie drive, the driver; Douglas Dale Leonard, 20, 2943 Dorothy drive, and Lewis William Achuletta, 22, 105 Allen Way.

The Highway Patrol said the accident occurred at 2:20 a.m. when Sorensen lost control of the car and it crashed into a tree on Hookston road, 50 feet east of Buskirk avenue in Pleasant Hill.

Funeral services for Thorne were held Tuesday at the Little Chapel of the Flowers in Walnut Creek.

He was the son of Mr. and Mrs. Samuel L. Thorne of Pleasant Hill. In addition to his parents, he is survived by two brothers, James L. and Dale E., both of Pleasant Hill, and a grandmother, Mrs. Elbye Leighton Thorne of Santa Cruz.

MINOR INJURIES were received by nine persons Sunday afternoon, patrolmen said, when a pickup truck went out of control on Camino Tassajara just east of Freitas road Sunday afternoon.

The injured were Mrs. Lela Marie Batsel, 36, Box 464 Lawrence road, Danville, driver of the car; Henrietta Peterson, 45, Hayward; James Ahlquist, 12, 1822 Parkside drive, Walnut Creek; Thomas Baumgartner, 5, Danville; Dorothy Batsel, 9; Teresa Baumgartner, 4; Richard Lee Peterson, 14 months; Darlene Peterson, 6, and Raymond Batsel, 11.

All were treated at Kaiser Hospital in Walnut Creek.

Paul William Estenson, 16, P.O. Box 362, Danville, was cited for failure to observe a stop sign, improper turning, driving on the wrong side of the road and speeding after a collision early Saturday morning.

A CAR DRIVEN by Estenson collided on Alamo highway with one driven by Lloyd Edward O'Rourke, 54, of 44 Holiday drive, Alamo.

Estenson told patrolmen the accident occurred when he was trying to avoid their car because it was after curfew and he thought they were sheriff's deputies.

Two drivers were cited after collision Saturday morning at 11:15 a.m. on Moraga way at Valley View drive.

THEY WERE Robert L. Gluckstern, 34, physicist at the UC Radiation Laboratory in Livermore, and Marian Alice Ruiz, 18, Orinda.

Gluckstern was cited for having the driver's view obstructed by several large boxes; Miss Ruiz for violating the right of way. Minor injuries were received by Miss Ruiz and Karen Reuter, 18, of Fresno.

Edward Narva, 9, of 31 Peterson place, Walnut Creek, was treated by a physician for injuries suffered Friday evening when he was struck by an automobile while riding a bicycle on Dewing lane near Warren road in Lafayette.

The driver of the automobile, Edward Narva, 47, of 1425 Dewing Lane, was not cited, patrolmen said.

Increase of 250 Students Seen At Miramonte

About 900 students, an increase of 250 over last year, are expected in Miramonte High School when fall classes begin at 8:10 a.m. Wednesday, according to James Lewis, principal.

The reason for the big increase, he explained, is that this year the school will have a senior class for the first time.

He estimated that there will be 190 seniors, 220 juniors, 240 sophomores, and 250 freshmen.

There will be 42 persons on the Miramonte staff, an increase of 10 over last year.

Four new building units will be ready for occupancy — one housing the electric shop and crafts, and three providing 11 academic classrooms. In addition, the library has been enlarged.

The dean of boys will be Robert Rowe; dean of girls, Naomi Giddings, and head counselor, Gordon Gibson.

New teachers met with Walgren Wednesday. A district-wide high school faculty session was held at Miramonte yesterday morning, and there was a general faculty meeting yesterday afternoon.

EBMUD Head Explains Tax Will Not Rise

Tax rates of the East Bay Municipal Utility District and Special District No. 1 for the 1958-59 fiscal year will remain the same as they have been for the past year, Louis J. Breuner, EBMUD Board President announced today.

Water rates and sewage disposal service rates will also remain at their present low level, Breuner said.

The existing tax and water rates were reaffirmed at the August 22 meeting of the Utility District Board of Directors. The tax rate for water service is 20 cents per $100 of assessed valuation.

Driver Treated After Car Hits Embankment

Jeanette Shahan, 33, of 132 Draeger Drive, Moraga, was treated and released from Kaiser Hospital, Walnut Creek, Wednesday night, after her car went out of control and struck an embankment.

California Highway Patrol officers say that she will be cited for driving at an excessive speed and without vehicle registration.

The accident occurred when the driver was unable to negotiate a left turn, the officers said.

Orinda Chamber Meets Tuesday

Problems of traffic and parking will be discussed by the Orinda Chamber of Commerce at its regular luncheon meeting Tuesday in the Casa Orinda, according to Clarence Betz, secretary.

No definite date for opening of the new Orinda Village bypass have yet been set, Betz said, although it will be sometime in mid-September.

Highway Group Holds Meeting

A directors' meeting of the Diablo Highways Improvement Federation was held last night at the home of Dudley W. Thickens, 3319 Sweet Drive, Lafayette.

Consideration was given projects for which financing should be requested.

Signals Will Save Lives at Crossing

(AN EDITORIAL)

We wish to commend the county for the excellent Orinda Village bypass.

We especially congratulate the engineers who provided for conduits at intersections, so that it won't be necessary to rip up the highway in order to install traffic signals.

It must have been obvious that such signals will be necessary to protect pedestrians, and of course we have the youngsters especially in mind, at the El Toyonal intersection.

On one side of the bypass at that point we have a large area of homes—on the other, Orinda Village.

Without waiting for the statistics, it is apparent that pedestrians every day will attempt to cross at the El Toyonal intersection without any more protection than that afforded by painted walkways and the "islands" at left turn lanes.

And you don't need to be the seventh son of a seventh son, or wait for a year while the county compiles figures, to predict that someone's going to be killed because of the lack of traffic signals at El Toyonal.

It may be you—or us—or one of our youngsters.

Eventually, it seems certain, those signals will be installed.

The Public Works Department has told The Sun that signals at El Toyonal were not included in the budget, so that in the normal course of events they won't go up for a year or more, except in case of an "emergency."

We think that the "emergency" is now—before, and not after, a pedestrian is struck by an automobile.

We'd like to see the County Board of Supervisors take whatever action is necessary to put those signals up right away.

And we support the Orinda Chamber of Commerce in its resolution asking the Board of Supervisors to install signals at Brookwood road and Camino Pablo (the streets bordered by The Willows and the theater parking lot).

At that busy intersection the Public Works Department already has the figures. As the chamber pointed out, there have been too many collisions there, collisions that signals would have prevented.

Apparently the Public Works Department agrees with the chamber and asked for the traffic safeguards. The county traffic engineer told the chamber the supervisors had cut out an item for such lights from its budget.

Traffic signals are needed at both the El Toyonal and Brookwood intersections.

They're needed now, as quickly as the county can erect them.

Central Sanitary District Allots $380,000 for Job

The new $4,380,000 freeway linking the Orinda interchange and the Lafayette bypass, which Gordon H. Ball and Ball & Simpson are now constructing, includes $380,000 for new sewer mains to serve Orinda.

Gerry Horstkotte, district engineer for the Central Contra Costa Sanitary District, said that sum has been provided by the district so that the new mains can be constructed simultaneously with the freeway.

The new trunk will go over and through Charles Hill by means of a 780-foot tunnel, and connect with parallel force mains in the vicinity of Orinda Crossroads.

Waste will be boosted through the tunnel to the Walnut Creek watershed.

The freeway earthwork will be utilized as support for mains in some sections.

Course of sewage mains is now to a pumping station at the base of the 18th fairway at the Orinda Country Club, and thence to a pumping station, which Horstkotte said will eventually be eliminated, at the head of Lake Cascade.

The new sewage trunk, Horstkotte said, will provide additional capacity enabling the system to serve the "ultimately developed area" of Orinda.

School Enrollment Here to Increase By 10 Per Cent

Preliminary estimates indicate that more than 2850 students—an increase of about 10 per cent over last year — will report to schools of the Orinda Union School District when classes begin again Wednesday morning, according to Joseph Sheaff, superintendent.

School hours will be as follows:

Orinda—8:40 a.m. to 3 p.m., morning kindergarten, 8:40 a.m. to 11:25 a.m.; afternoon kindergarten, 12:15 p.m. to 3 p.m.

Del Rey — 8:20 a.m. to 2:30 p.m.; morning kindergarten, 8:20 a.m. to 11:05 p.m.; afternoon kindergarten, 11:45 to 2:30 p.m.

Pine Grove—9:10 a.m. to 3:40 p.m.

Sleepy Hollow — 8:45 a.m. to 3:20 p.m.; morning kindergarten, 8:45 a.m. to 11:45 p.m.; afternoon kindergarten, 12:45 to 3:20 p.m.

Glorietta — 8:20 a.m. to 2:30 p.m.; morning kindergarten, 8:40 a.m. to 11:25 a.m.; afternoon kindergarten, 11:45 to 2:30 p.m.

The cafeteria at the Sleepy Hollow School will not be open until about September 15, Sheaff said, and parents will be notified in advance as soon as the exact opening time is known.

The Pine Grove cafeteria will be ready the first day of school, and the one at Glorietta after the new addition there is completed.

Principals of the schools will be: Ted Boyce, Pine Grove; Herman Z. Nyland, Del Rey; Jack Clark, Glorietta; William Gaskell, Orinda; Cynthia Knox, Sleepy Hollow.

Teachers began a three-day session of in-service training Monday. An orientation meeting of all new teachers was held yesterday, and the entire faculty was to meet today.

Budget Set By Board, Up 12 cents

A record county budget of $35,094,427 was adopted Tuesday by the Board of Supervisors, who set the county tax rate at $2.29 per $100—an increase of 12 cents.

The rate applies everywhere in the county except Richmond, where the rate will be $2.19. Because it has its own library system, the 10-cent county library tax is not applicable there.

OFFICIAL ADOPTION of the huge budget came after weeks of work by supervisors and many sessions with department heads. About $5,000,000 was cut from original requests.

No persons appeared to protest adoption of the whittled-down budget at the final hearing, although a letter from the Contra Costa County Mayors Conference was read. The letter asked that the tax rate be held to "at least the 1957-58 level."

The motion to adopt the budget was made by Supervisor Ray S. Taylor, and seconded by Supervisor Mel Nielsen.

"This is the toughest budget in my 15 years as supervisor," Taylor said.

"This is the second county budget I've worked on," commented Nielsen. "I've had a thorough education in county government from this year's sessions.

SUPERVISOR Joseph Silva expressed thanks to the Contra Costa County Taxpayers Association for advice on the budget.

Workers in the auditor-controller department were preparing the detailed listings of about 650 combinations of more than 200 tax rates, including the county tax rate and rates for special districts.

Tax bills will be ready to be sent to taxpayers about September 20, according to Howard McNamer, auditor-controller.

Rates went up despite the fact that the county's assessed valuation is up some $37 million.

Assessed valuation of Contra Costa County for 1958-59 is $741,508,265, an increase of $37,573,595 over last year.

THE FIGURE includes a $157,163.630 assessment on public utilities, a raise of over $6 million.

A report by McNamer showed the county-wide tax roll to be $16,162,529.12.

Night Court in District? Rahn, Ring Give Opinions

Should a night court be installed by the Walnut Creek Judicial District, for the benefit of commuting motorists who might find it inconvenient to attend during the day?

And should a traffic school be established, with attendance compulsory for traffic violators?

Mrs. Betsy FitzGerald Rahn and Terence Ring, attorneys and candidates for the Walnut Creek District judgeship, gave their opinions this week, in answer to inquiries by The Sun.

MRS. RAHN said, "As for the traffic school, I think it is an excellent idea, and I have talked with Highway Patrol officials who say that approval for such an undertaking would have to come from Sacramento.

"As for the night court, I feel that the actual need for such a court should be looked into. Are there a sufficient number of people who can't appear at the regular times, and who would benefit?

"If there is a real need for it, I would be more than willing, and an election would be available to institute such a court, although there is also the problem of additional costs", she said.

RING TOLD The Sun, "The traffic school was a main plank in my platform in the primary election. While the young people, and their elders too, find it easier these days to come up with a small fine, the requirements of attending so many hours of traffic school brings them to perform a positive act, makes them think about their driving, and is a real deterrent. Oakland has had great success with its traffic school."

Ring added, "As I understand it, neither San Francisco or Oakland have night courts, and there are relatively few of them in the United States, although Hayward is one of the exceptions.

"Is there a demand for it? We know that this will cost more money, to pay the clerks who must work overtime at night. Do the people want this extra cost for an unevaluated number of people, with a resulting higher taxpayer costs?

"I think it would be wrong for me to say yes at this time. If there is a demand, I would take it to the board of supervisors for consultation, and would find out about extra costs. But this may just result in another cost to the taxpayer, which will be high if it mushrooms to other judicial districts in the county."

Ring concluded, "Judge Clifford Thomson has told me that he has never had a request for a night court in his years of experience."

Transit District Changes Boundaries of Wards I, II

Boundaries of wards in the Alameda - Contra Costa Transit District were adjusted at the August 20 meeting of the district's directors.

The directors realigned the boundaries of Ward I, represented by President Robert K. Barber of Kensington, and Ward II, represented by Director J. Howard Arnold of Albany, to compensate for recent population shifts.

The change, as required by the Transit District Law, eliminates a 50,000 difference in the number of registered voters residing in the two wards.

The new boundaries for Ward I include the Danville Judicial District, Walnut Creek Judicial District, El Cerrito Judicial District and that part of Berkeley within the Eighteenth Assembly District.

Ward II includes the city of Albany, the Eleventh Assembly District except El Cerrito, and the Tenth Assembly District except Kensington and the Walnut Creek and Danville judicial districts.

ROBERT E. NISBET, attorney for the District, reported that the first day to circulate nomination petitions for directors of the District was Tuesday.

All seven positions on the board of directors will be up for election this November.

In other business, the Board formally set a tax rate of 1.4 cents per $100 of assessed property valuation to finance a budget during the 1958-59 fiscal year of $270,640.

Free Pocket Radios Go To Youthful Sun Salesmen!

The Sun is offering free, pocket-size, no - battery radios to boys and girls who sell two subscriptions to either the Walnut Creek Sun, Lafayette Sun, Pleasant Hill Sun or Orinda Sun.

The $5 value radios are operated merely by attaching an aerial clamp to the nearest metal "ground." Two persons can listen at one time.

A self-powered diode rectifier does the job without batteries. A smart case accompanies the radio.

The "youngster," (age 5 to 105) can secure the radio by selling two one-year subscriptions for $3.75 each, or one two- year subscription for $7.50.

The best "sales talk" is the high quality of the Sun, which presents important local and area news, features and pictures not carried in any other paper.

The new subscriber will receive his copy of the Sun each Friday for 52 weeks. A requirement, however, is that the new subscriber must not have taken The Sun for at least three months prior to sale. It cannoot be a renewal.

Greyhound Strike Talks Continue

Federal conciliator Fay Dunmire yesterday reported "Encouraging progress" in the talks between auto mechanics and San Francisco shops of Western Greyhound Lines as central county commuters anticipated a strike beginning today, which would halt service.

Another meeting was planned before the deadline between the bus company and Automotive Machinists Lodge 1305 which is asking for a 16 cents an hour wage increase and three weeks vacation after five years employment in a one year contract.

The company had offered 13¾ cents an hour wage increase, 10 cents more next year and three weeks vacation after 10 years employment in a two - year contract.

Failure to reach agreement would result in stoppage of bus service as of 7 a.m. today, and would involve thousands of area commuters.

Warm Weather Still Lingers

Warm weather lingered in Orinda last week, but now and then a cool breeze was a reminder that summer's almost gone.

Maximum temperature during the week came Tuesday, when the thermometer registered 95. Minimum temperatures ranged from 49 to 57.

Highs and lows for the period:

	High	Low
August 21	91	52
August 22	90	49
August 23	75	56
August 24	75	56
August 25	90	53
August 26	95	51
August 27	80	57

Rotarian Ideals Topic of Talk

Rotarians were urged to put the ideals of the organization into practice in everyday life by Lynn Pickler at a meeting of the Orinda Rotary Club Wednesday noon in Casa Orinda.

Pickler, assistant business manager for Moore Business Forms in Oakland, spoke on the topic of "Rotary Tomorrow."

Clarence Betz was program chairman and Joe Duffel presided.

The speaker at next week's meeting will be Harry S. Schwartz, senior economist for the Federal Reserve Bank in San Francisco, who will discuss problems connected with economic recovery.

Clinic Postponed

Because of the Admission Day holiday, the immunization clinic for the Orinda area will be cancelled for September 9.

Orinda Bus Schedule Cut; Here Are Planned Stops

The bus schedule for Miramonte High School shows sharp cuts over service provided last year.

This year the total number of stops for all three of the district's high schools has been reduced from more than 200 to 16. A two-mile (or more) limit between stops will be in effect, according to school district officials.

The reduction in service is attributed to the lack of funds because of the failure of a tax limit election for the high school district last February.

The schedule follows:

Bus Z—Miramonte Yard, Lv. 7:18; Pinehurst rd. & Canyon Store, 7:28; Miramonte High School, Ar. 7:42.

Soroptimist Club Plans Joint Dinner Meeting

After a summer recess, members of the Soroptimist Club of Lafayette-Orinda will resume regular luncheon meetings on Tuesday, September 2.

On August 21, the board of directors gathered for a dinner meeting at the home of Vice-President Edna Bedsworth. The business session was conducted by President Alma Blakesley and activities and program plans for the fall season were outlined and discussed.

An announcement was made of a joint dinner meeting of all Soroptimist clubs in the area to be held Wednesday evening, September 10, at the Hotel Don in Richmond.

The program will feature highlights of the Federation Convention held recently in Houston, Texas.

Among the honored guests will be Regional Governor Grace Patton and District Director Mary E. Lorentzn, a charter member of Lafayette-Orinda, who represented the local club at the convention.

Mary Lorentzen and Edna Bedsworth will participate in the program in Richmond and will help bring the inspiration of the convention sessions to the various clubs in the area.

Crippled Kids Day Camp Held

Contra Costa County Crippled Children's Day Camp has finished the first half of a two-week camp session.

Movies, crafts, games and other recreation were enjoyed by all 17 handicapped children. Watermelons were donated by the Walnut Creek Lion's Club.

A high spot of entertainment was the visit of the Calo Dog Food Rescue Unit, Friday.

The children were told of some of the rescue work which has been done by Russell Cone, director of the unit and his four bloodhounds.

The children had fun in the spray pool at city park. Records also were played.

Christian Science

The practical importance of the healing works of Christ Jesus to mankind today will be brought out at Christian Science services Sunday.

The Christian Science Churches in this area are located at 22 Orinda Highway, Orinda; 1347 Locust Street, Walnut Creek; and in Concord at the corner of Grant and Park Street. Christian Science Society of Pleasant Hill holds its services at the Hillcrest Congregational Church on Gregory Lane.

Scriptural readings in the Lesson-Sermon entitled "Christ Jesus" will include the account in John (9:1-7) of Jesus' healing of the blind man.

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy will be read this selection: "Christianity as Jesus taught it was not a creed, nor a system of ceremonies, nor a special gift from a ritualistic Jehovah: but it was the demonstration of divine Love casting out error and healing the sick, nor merely in the name of Christ, or Truth, but in demonstration of Truth, as must be the case in the cycles of divine light" (135:26).

The Golden Text is from John (12:46): "I am come a light into the world, that whosoever believeth on me should not abide in darkness."

In addition to advancement awards, a total of 147 merit badges were awarded. Members of the troop recently returned from Camp Stephens near Pinecrest. —Sun photo by Dave Ogden.

Development Group Favors Cal. Commission

The Contra Costa County Development Association this week went on record in support of the State Highway Commission's right to determine the routing of highways and freeways.

The association's directors unanimously adopted a resolution of support at the request of Edward M. Larmer of Walnut Creek, highway committee chairman who reported increasing pressure throughout the state to curb the powers of the commission and the state highway engineers in establishing routings.

He said the State Chamber of Commerce, on which he is the association's representative, has taken similar action backing the state highway division against pressures he attributed to cities and individuals.

In another resolution submitted by Claude M. Stitt of Antioch, the association endorsed the action of the Contra Costa County Water Agency, comprised of the Board of Supervisors, in demanding protection of the county's water rights, and urged other county organizations to extend similar support.

The resolution called upon the Federal Bureau of Reclamation to maintain its present 3300 second feet flow at the mouth of the Sacramento and San Joaquin Rivers until suitable replacement water is assured for Delta area ranchers and waterfront industries which depend upon the rivers for a fresh water supply.

Stitt reported on a recent conference in Martinez, called by State Water Resources Division Chief Harvey O. Banks, at which it was reported the Bureau intends to reduce the flow from Shasta Dam, permitting salt incursion below the intake for the Tracy Pumping Plant and the source of the Contra Costa Canal at Rock Slough.

Calvary Baptists Will Build Their Church Near Acalanes

Anxious to become "permanent" in the service of Walnut Creek, Lafayette and surrounding areas are members of the Calvary Baptist Church, who plan to break ground for their new $70,000 building on Sunday.

The members of the church now number about 100, and have been using the facilities of the Masonic Temple, Walnut Creek, for their services since they organized in January, 1955.

Their new church will be located just southeast of Acalanes High School in the Lafayette area. It will be in the vicinity of Stanley Boulevard and Nogales Street.

REV. PAUL Bryam, who will complete his first year with the church this Sunday, said that the actual groundbreaking ceremonies will take place just after the morning worship. Construction will begin on Tuesday.

The parcel of land covers 2¾ acres and will allow room for expansion, including eventual plans for a larger main sanctuary and three more educational units.

The chapel which will be ready for use probably next February will hold about 200 worshippers, and there will be Sunday School space for 250.

A church member, David C. Hammer of Walnut Creek, will direct the construction, will hire personnel, and receive volunteer aid from other members.

HAMMER IS A construction superintendent by profession.

The church board of trustees includes L. P. Robertson Jr. of Concord, John Maloon of Lafayette and Hammer.

The deacons are Maloon and Hammer, Bill Gray of Alamo, E. W. Maloon of Lafayette and Bill Munns of Pleasant Hill.

Rev. Bryam lives in Pleasant Hill, but plans to move to a location near his church when it is completed.

He received his bachelor of arts at Baylor University, Waco, Texas, attended Southwestern Baptist Seminary in Fort Worth, Tex., and returned to Baylor for graduate work.

HE ALSO served for five years as a pastor in Speegleville and Hearne, Texas.

Rev. Bryam said he plans to do more graduate work at Golden Gate Baptist Theological Seminary, after the new building is completed.

EBMUD Pins

Four area men have been given service pins by East Bay Municipal Utility District, it was announced.

Ten-year service pins went to Robert E. Roth of 140 Greenway Drive, Walnut Creek, and William E. Bradbury of Lafayette.

Five year pins went to Arthur I. Webb of 131 Cynthia Drive, Pleasant Hill, and Louis DeMattei of 1125 Bonita Lane, Walnut Creek.

'Free Pony' Featured at Celebration

Free food! A free pinto pony and many other prizes! Free entertainment!

Those are the highlights of the two-day fun fest to be held next week end, Friday and Saturday, September 5 and 6, in the lot between the Louis Store and Bargain City on Mt. Diablo Boulevard.

In charge of the celebration for the sponsors are Harold Holley, area supervisor, and Bob Mason, local store manager for Louis Stores; Louis Albert of Bargain City, and Harold Levy of Super Saver Liquors.

Coupons entitling you to take part in the drawing for the pony and other prizes may be obtained at any of the participating stores, and it isn't necessary to make a purchase.

The curtain will go up on the two-day entertainment at noon next Friday, when Albert will be in charge of the free hamburger luncheon to be served until 3 p.m.

The following day a free Western style barbecue, with Larry Blake of the Gaslight House presiding, will be served from noon to 2 p.m. On the menu will be spareribs, baked beans, and other delicacies.

The entertainment part of the program will begin at 3 p.m., featuring King Norman, famous entertainer, and will include a puppet show and circus acts.

Acalanes Expects Slight Increase

Slightly more than 1310 students are expected at Acalanes High School when the fall term starts Wednesday, according to Stanley Walgren, principal.

Opening registration last year was 1275, he reported.

WALGREN EXPLAINED that the increase is slight because of the beginning of senior classes at Miramonte High School, taking some students who formerly attended Acalanes.

He estimated that Acalanes will have 250 seniors, 360 freshmen, 340 juniors, and 350 sophomores.

Classes will start at 8:10 a.m.

Orientation for freshmen will begin at 2 p.m. Tuesday. Lockers will be assigned, and the day will end with a swim in the pool.

AL WINCHESTER is dean of boys, Vera Richardson dean of girls, and Bruce Handley head counselor.

LEGAL NOTICE

OFFICIAL NOTICE OF SALE OF SCHOOL DISTRICT BONDS

NOTICE IS HEREBY GIVEN that sealed proposals will be received by the Board of Supervisors of the County of Contra Costa, State of California, at the office of the County Clerk and ex-officio clerk of said Board of Supervisors in the Hall of Records, City of Martinez in said County, California, on Tuesday the 16th day of September, 1958, at the hour of 11 o'clock a.m. for the purchase of bonds of Moraga School District, of Contra Costa County, State of California, more particularly described below:

ISSUE: $28,000, 1956 School Bonds, Series B, consisting of 28 bonds of the denomination of $1,000 each, numbered B-1 to B-28 inclusive. Said bonds are part of an authorized issue in the aggregate principal amount of $250,000, of which $95,000, designated Series A, have heretofore been issued and $85,000 are now outstanding;

(The remaining $117,000 principal amount of said authorized issue may be sold when and as determined by said Board of Supervisors, but it is anticipated will not be offered for sale prior to December 1, 1958).

DATE: All of said bonds are dated October 15, 1958.

INTEREST RATE: Maximum five (5) per cent per annum, payable annually for the first year on October 15, 1959, and semi-annually thereafter on April 15 and October 15 in each year. Bidders must specify the rate of interest which the bonds hereby offered for sale shall bear. Bidders will be permitted to bid different rates of interest and to split rates irrespective of the maturities of said bonds. The interest rate or rates stated in the bid must be in multiples of 1/8 or 1/20 of one per cent per annum, payable as aforesaid.

MATURITIES: Said bonds mature serially in consecutive numerical order from lower to higher (without option of prior redemption) as follows:

$2,000 principal amount of bonds of Series B shall mature and be payable on October 15 in each of the years 1959 to 1972, both inclusive.

PAYMENT: Both principal and interest payable in lawful money of the United States, at the office of the County Treasurer of said County.

EXECUTION AND REGISTRATION: Coupon bonds will be issued by said Board of Supervisors on behalf of said District. Said bonds will be executed by the manual signature of at least one official authorized to execute the bonds. Said bonds are registrable only as to both principal and interest.

PURPOSE OF ISSUE: Said bonds were authorized by more than two-thirds of the voters voting at an election held in said District on May 18, 1956 and will be issued and sold for the purpose of raising money for authorized school purposes.

SECURITY: The bonds are general obligations of said District, and said Board of Supervisors has power and is obligated to levy ad valorem taxes for the payment of said bonds and the interest thereon upon all property within said District, subject to taxation by said District (except certain intangible personal property, which is taxable at limited rates), without limitation of rate or amount.

TAX EXEMPT STATUS: In the event that prior to the delivery of the bonds the income received by private holders from bonds of the same type and character shall be declared to be taxable under any Federal Income Tax laws, either by the terms of such laws or by ruling of a Federal Income Tax authority or official which is followed by the Internal Revenue Service or by the decision of any Federal Court, the successful bidder may at his option prior to the tender of said bonds by the Board of Supervisors, be relieved of his obligation under the contract to purchase the bonds and in such case the deposit accompanying his bid will be returned.

LEGAL OPINION: The legal opinion of the following firm, approving the validity of said bonds, will be furnished to the successful bidder without charge: Orrick, Dahlquist, Herrington and Sutcliffe, Attorneys at Law, 405 Montgomery Street, San Francisco 4, California.

TERMS OF SALE

HIGHEST BIDDER: The bonds will be awarded to the highest responsible bidder or bidders considering the interest rate or rates specified and the premium offered, if any. The highest bid will be determined by deducting the amount of the premium bid (if any) from the total amount of interest which the District would be required to pay from the date of said bonds to the respective maturity dates thereof at the coupon rate or rates specified in the bid and the award will be made on the basis of the lowest net interest cost to the district. The lowest net interest cost shall be computed on a 360-day year basis. The purchaser must pay accrued interest from the date of the bonds to the date of delivery. The cost of printing the bonds will be borne by the district.

RIGHT OF REJECTION: Said Board of Supervisors reserves the right in its discretion to reject any and all bids and to waive any irregularity or informality in any bid.

PROMPT AWARD: The Board of Supervisors will take action awarding the bonds or rejecting all bids not later than 24 hours after the expiration of the time herein prescribed for receipt of proposals; unless such time of award is waived by the successful bidder.

PROMPT DELIVERY: Delivery of said bonds will be made to the successful bidder at the office of the County Treasurer of said County as soon as the bonds can be prepared which it is estimated will be within 30 days from the day of sale, but not prior to the date of the bonds.

RIGHT OF CANCELLATION: The successful bidder shall have the right, at his option, to cancel the contract of purchase if the bonds are not tendered for delivery within 60 days from the date of sale thereof, and in such event the successful bidder shall be entitled to the return of the deposit accompanying his bid.

FORM OF BID: All bids must be for not less than all of the bonds hereby offered for sale, and for not less than the par value thereof and accrued interest to date of delivery. Such bids, together with bidder's check, must be enclosed in a sealed envelope addressed to the Board of Supervisors of said County, and endorsed "Proposal for School Bonds of Moraga School District, of Contra Costa County."

BID CHECK: With each bid must be submitted a certified check or cashier's check for $1,400, drawn on a bank or trust company transacting business in the State of California, payable to the order of the County Treasurer, to secure said District from any loss resulting from the failure of the bidder to comply with the terms of his bid. In addition bidders are requested (but not required) to supply an estimate of total net interest cost to the District on the basis of their respective bids, which shall be considered as informative only and not binding on either the bidder or the District. Checks of the unsuccessful bidders will be returned by the County Clerk by mail, upon the award of the bonds. No interest will be paid upon deposit made by the successful bidder.

There is no controversy or litigation pending or threatened concerning the validity of the above issue, the corporate existence of said District, or the title of the officers to their respective offices and the Board of Supervisors will deliver to the successful bidder a no-litigation certificate certifying to the foregoing as of and at the time of the delivery of the bonds.

Dated August 19, 1958.

George Mardikian Chosen As Speaker at GOP Rally

George Mardikian, an Armenian-born immigrant who climbed from a $12 a week dishwashing job to wealth and fame, will speak at a rally honoring Congressman John Baldwin and Sam Conti, candidate for the Assembly from the 10th District, at 8 p.m. Thursday, September 11, in Miramonte High School, 750 Moraga Highway, Orinda.

Mardikian, who recently returned from Europe and the Middle East where he conferred with heads of government, will speak on the topic, "Song of America," which also is the name of the autobiography he published in 1956.

Mardikian, who also is the author of "Dinner at Omar Khayyam's," has made a fortune in his San Francisco restaurant of that name, which is known all over the world for its Middle East dishes. He has spent a fortune, too, in his work for displaced persons.

In addition to financing a staff to bring displaced Armenians to America, Mardikian has provided scholarships in this country for graduates of the Middle Eastern American University at Beirut—$1,500 a year for four years. Although the winner may be any nationality, he must meet one requirement. If he stays here he owes Mardikian $6.000—but if he returns to the Middle East to teach what Mardikian calls, "the song of America," his debt is paid in full.

The Orinda lecture will concern the debt Mardikian feels he owes America. When he came here in 1922 at 18, he had been through three wars, famine, witnessed the murder of his father by the Turks, and had been held a captive before he was freed by Americans.

His story since then is considered as inspiring as any rags-to-riches career in America. He opened his first restaurant during the depths of the depression, and went on to become a prosperous restaurateur, rancher, and businessman, in addition to becoming known as an author, lecturer, humanitarian and art collector.

Mrs. Melvin Jacobus, 275 Orinda Highway, Orinda, and Mrs. William B. Freeman, 3905 Happy Valley Road, Lafayette, are co-chairmen of the Baldwin-Conti rally, one of the first of a series of Contra Costa events honoring Congressman Baldwin and Sam Conti.

Tickets for the Miramonte High School lecture are priced at $1, and ticket sales are coordinated by Mrs. Marvin Kennedy, president of the Orinda Republican Women's Club, Mrs. John Farley, president of the Lafayette Republican Women's Club, and Mrs. Donald P. Krotz, 44 Monte Vista Road, Orinda, CLifford 4-2045.

THE SECOND IN a series of "in-the-store" fashion shows was held last week at Country Girl in the Broadway Shopping Center, Walnut Creek. Shown on ramp is Miss Joyce Hellsirger.

Golf Club Prepares for Big Carnival on Sunday

"The Carnival" is the subject of most of the conversation at Meadowbrook Golf Club this week. Sunday, is the date of the much discussed event. Representatives from each facet of the young club in Reliez Valley will be engaged in the merrymaking.

Each standing committee of club organization will operate an activity or refreshment booth. Mr. and Mrs. Arthur E. Lambert of Pleasant Hill are serving as coordinators of the harvest season fun day. Lambert is club president.

Booth chairmen and the committee represented include: Mr. Charles Almeda, Orinda, Monthly Stag dinner; Mrs. Arthur H. Bell, Lafayette, Teenage Membership; Mrs. Robert M. Kuhn, Walnut Creek, Ladies' Monthly Bridge Activities; Mesdames Frank W. Begert and Richard Baerresen, both of Pleasant Hill, Ladies Golf Committee; Messrs. Emile Fabian and Norman Squires, both of Pleasant Hill, Men's Golf Committee; Mr. James DeKorne, Orinda, Board of Directors.

Part-Time Students May Register at Jr. College

Registration for classes offered in the program for part-time students at Diablo Valley College will be next Friday evening from 7 to 9:30 and September 6 from 9 to 12.

Next Friday evening's registration will be reserved for former students of the college. New students will register on Saturday.

Identification cards for former students are available at the college office during the day. Those unable to pick up their cards then may send another to do so for them.

Classes meet for two to three hours, usually on one night, Monday through Thursday. There is no registration charge.

Among the more than 100 classes being offered this fall are classes in art, anthropology, business, chemistry, communication, English, geography, mathematics, music, philosophy, electronics, psychology, real estate, homemaking, hydraulics, instrumentation, geology, marine navigation and speech.

Shanks to Give Program on Colorado River

The Mt. Diablo Audubon Society will begin regular monthly meetings Thursday in Room 201, Las Lomas High School, Walnut Creek.

Glenn Shanks, vice president of the Society will present the program "Pictures and Explanations of Geological Formations Along the Colorado River."

Shanks will illustrate his talk with slides taken this summer by himself and his wife in Grand Canyon, Zion, Cedar Breaks, Bryce and Dinosaur Parks. This is an open meeting and the public is invited to attend.

On September 14 the Society will make a field trip to Bay Farm Island. The meeting place will be Lincoln Park at High and Santa Clara Avenue in Alameda.

The party will proceed to the island under the leadership of Richard Stallcup.

The tide is out at the time and the birders should have a good view of the shore birds in their winter feeding grounds on the mudflats. This trip is also open to all interested persons.

Rosicrucians Plan Meeting

The regular Wednesday convocation of Oakland Lodge of AMORC Rosicrucians at 263 12th Street, Oakland, will deliver The Grand Master Rodman R. Clayson's message for September titled "Monograph Study and Application."

Rapid Transit District Now Seeking Leading Engineer

Directors of the San Francisco Bay Area Rapid Transit District have created the position of chief engineer on the district's staff and established a salary range of from $20,000 to $30,000 a year.

General Manager John M. Peirce said a Nationwide search will be started immediately for the best qualified man available. The district's plans development and engineering committee, headed by Director J. Frank Barrett, will assist Peirce in making a final selection.

The applicant selected will assume full charge of engineering activities for the district, which plans to submit to the voters in two or three years time a plan for a regional rapid transit system serving the five "core" counties of the San Francisco Bay Area.

The district's predecessor organization, the Bay Area Rapid Transit Commission, recommended construction of a 123-mile rail network which would involve subway, underwater tube and elevated construction. Estimated cost of this project was $716,000,000.

Mrs. Graber Candidate For 'Queen of Pacific'

Mrs. Victor Graber (nee Barbara Kelly) of Orinda will be Linden Junior Branch's candidate for "Queen of the Pacific" at the Children's Hospital of the East Bay's annual Flower Headdress Ball, planned for Saturday, October 25, according to announcement from Mrs. William Harold Oliver, general chairman of the Branches and honorary chairman of the ball.

Mrs. Graber, a professional model before her marriage to polo champion Victor Graber, resides with her husband, three small sons and daughter at 25 Rheem Boulevard. An accomplished musician, she is equally talented as a pianist or vocalist.

An ardent skier, Linden Junior's nominee was a member of the Utah Ski Team during college days at Brigham Young University, and she has maintained her skills on the snow slopes since moving out to California. Mr. and Mrs. M. S. Kelly of Oakland are her parents.

The Graber polo ponies winter in Santa Barbara and are brought up to Golden Gate Park for the spring season, which Mrs. Graber follows with amorous interest and pride in the Graber wins.

Mrs. John Door, Linden Junior Branch chairman, is her campaign manager.

The queen candidate receiving the most votes—votes are being bought at 10 cents apiece with all money from the sale of votes and the October 25 Ball benefiting the hospital's charitable and research programs — will rule over elaborately beautiful festivities of the Branches' "Pageant of the Pacific," theme of this year's ball, for which Mrs. Lowell Trautman of Redwood Branch has again been named general chairman.

Diablo Colleges Adds Nine New Instructors

Diablo Valley College will have nine new instructors this fall to accommodate an increasing enrollment and to replace one instructor on leave of absence. They bring the instructional staff to 75.

They include the following:

Lee R. Armstrong, 3343 Bennett Way, Concord, biological science. He holds a B.S. degree from University of Washington and has had 12 years teaching experience, the last three at Pleasant Hill High School. Armstrong has pursued advance studies under National Science Foundation fellowships.

Richard E. Cooper of Vallejo, engineering-mathematics. He is a University of California graduate with the B.S. degree. For the last year he has been engineer for the City of Vallejo where he also taught in the Vallejo Unified School District part-time program. Cooper is the first Diablo Valley College graduate to be hired by the district as a full-time instructor.

ROBERT FLANAGAN of San Jose, chemistry. He holds the M.A. degree in physical science from San Jose State College where he was an assistant in chemistry for a year.

Thomas A. Hepp, 1023 Robin Lane, Concord, librarian. Hepp has a B.A. degree in education from Arizona State Teachers College and an M.L.S. degree from the University of California. He taught in the San Bernardino city schools and later was librarian for the Oakland Public Library.

William H. Miller of San Francisco, communication and English. He has an A.B. degree in music from San Francisco State College and an M.A. degree in language arts from the same institution. A professional musician, he has been an arranger for well known bands including those of Henry King and Joe Reichman, and has instructed in music. He has also served as director for Columbia Park Boys Club, San Francisco.

Wanda V. Mooney of Santa Rosa, dental assisting. A vocational teacher with a Class "A" credential, she has been a dental technician at Sonoma State Hospital for the last 18 years and has also served in the U. S. Navy in the same capacity.

GERALD E. SEDGEWICK of Berkeley, communication and English. He holds the A.B. and M.A. degree in philosophy from University of California, receiving the latter degree last January. His poetry and reviews have appeared in Occident Magazine. He has been both actor and assistant producer of the Hutchinson Summer Theatre, New Hampshire.

Wendell Taylor of San Luis Obispo, chemistry, earned the B.S. degree at Oregon State College in physical science this August, the M.A. degree, also in physical science at California State Polytechnic.

Homer G. Thomas, 57 Morello Road, Martinez, counselor and psychology instructor. After earning the B.A. degree at Colorado State College in education, he taught in Colorado and Idaho, after which he went to Stanford University where he earned the M.A. degree in counseling and guidance.

He has done graduate work in sociology at New York University. For the last six years he has been a teacher-counselor for Martinez Junior High and Alhambra Union High Schools.

Contractors' FHA Group is Complimented

Activities of the FHA Committee of the General Contractors Association of Contra Costa County were praised today by Jack Eyman, Lafayette, president of the association.

W. L. "Bud" Netherby of Walnut Creek, chairman of the committee; Allan Fuller, Lafayette, and Executive Vice President Frederick C. Kracke recently attended a meeting in San Francisco where the suggestions developed by the Contractors' Committee served as the agenda for a meeting regarding FHA of all home builder associations in and around the Bay Area.

County to Hold Exams for Jr., Ass't Engineers

Civil service examinations have been announced for Junior Civil Engineer and Assistant Civil Engineer by the East Bay Municipal Utility District Personnel Division.

Junior Civil Engineer applicants are eligible if they have a college degree in an engineering curriculum which is accredited by the Engineers' Council for Professional Development, or a California Engineer - in - Training Certificate. No experience is required.

Applicants for Junior Civil Engineer will be required to take a short examination following the filing of application at any time and arranging for an immediate examination date. The starting salary for Junior Civil Engineer is $461, advancing to $487 after six months and $515 after 18 months.

Assistant Civil Engineer applicants must have a BS degree in engineering from an accredited school, or possession of a valid Engineer-in-Training Certificate from the State of California.

Rotarians of County Pick Lafayette Man

John Lindberg, president of the Lafayette Rotary Club, was recently elected president of the Contra Costa County Rotary Clubs, it was announced.

Dick Hurley of the Walnut Creek Rotarians was re-elected secretary, and Shirley Martin of Martinez was elected treasurer.

They discussed the District Conference to be held in Richmond next April.

Kimball Requests County Help in East-West Link

The County Board of Supervisors is considering a request by Walnut Creek Manager Laverne Kimball that it spend $100,000 for extending Ygnacio Valley Road from North Main to Hillside Avenue where it would connect to the Walnut Creek Bypass.

He told the board that the four lane road will be "of major importance to the county", since it will carry heavy traffic from the Antioch, Pittsburg area west through Walnut Creek by the most direct route.

He added that the present inadequate roads, including Oakland Boulevard, carry some 12,500 vehicles per day, whereas they are built to carry only about 9400 per day.

And such traffic increases at a rate of about five per cent per year, he said.

Kimball added that the need for immediate consideration by the board stems from the fact that the Hillside Avenue portion of the Walnut Creek Bypass is scheduled for completion by next July, whereas the city has not been able to budget sufficient funds for the project for 1958-59.

The city has already spent some $45,000 for right-of-way acquisition, he said.

Kimball, said the extension of Ygnacio Valley Road to Hillside Avenue interchange "will remove the last major bottleneck under present day conditions."

Go to Church Sunday

Congregational

"The Church's Message of Hope" will be the sermon topic at the 9:30 and 11 o'clock services at the Orinda Community Church conducted by the Rev. Chauncey E. Blossom. Special music will be presented by a quartette.

Church School for three-year-olds through the 8th grade will be held at 9:30 and 11:00; infant care at 11 o'clock.

The Women's Guild Board meeting will be in the Livingstone Room at 10:00 a.m. on Wednesday the third.

Baptist

The pastor will speak at both services Sunday at the First Baptist Church of Orinda-Lafayette. Services are at 11 a.m. and 7:30 p.m. with Sunday School at 9:45 a.m. and Youth Fellowship at 6:45 p.m.

During the Morning Worship Service a nursery is provided for children under school age and a Junior Church is held for those of grade school age.

Temporarily the church is meeting at the Veterans' Memorial in Lafayette. A cordial invitation to attend services is extended by the Rev. Bruce H. Parker, pastor.

Episcopal

On the thirteenth Sunday after Trinity, the Reverend Andrew Daughters will conduct Holy Communion at 7 a.m. and 8 a.m., family catechism at 9 a.m., and morning prayer at 10 a.m., at St. Stephen's Episcopal Church on Via Las Cruces in Orinda.

Reverend Daughters has led all the services at St. Stephen's during the month of August, when Rector Albert Lucas was on vacation.

Under the direction of Donald Aird, retiring choirmaster and organist, the St. Stephen's Choir will sing "Dominus Regit Me" by Dykes, "Woodbird" a German folksong, Williams' "Down Ampney", and from Bach's "Magnificat" the aria for soprano and chorus "Quia respexit", followed by "Omnes generationes".

Hostesses for the 11 o'clock coffee hour in the out-of-doors will be the Acolyte Mothers.

Ushers on Sunday will be, at 7 a.m., William Effinger; at 8 a.m. Thomas Peek; at 9 a.m., Cecil Cantrill and James Dupuis; at 10 a.m., Richard Brooding, Milton Horgan, Sutherland Hutton and Karl Paulding.

Covenant

The Daily Vacation Bible School presented their closing program last Friday night to a large group of parents. It was considered a very successful school under the leadership of Pastor Mays, with Mrs. Josephine Rued and Miss Irma Fremd as co-directors.

August 30 to September 1 the Young Adult Camp will be held at the Mission Springs Conference Grounds in the Santa Cruz Mountains. This annual camp features activities of special interest to high school and college age youth.

September 3 the church will conduct a Community Visitation Program, preceded by a potluck dinner at 6 p.m.

The annual Sunday School Picnic will be held on September 6. The time and location will be announced next week.

Methodist

Sunday: There will be a Church School for pre-school children and a Young People's Church for children from first grade and up, at 9:30 a.m. Worship Services are held at 9:30 a.m. and 11 a.m. with the Reverend Henry Page White preaching on a Labor Day topic.

The Methodist Youth Fellowship will meet at 7 p.m. The group will hear reports from Tahoe III Institute and the MYF Planning Retreat. All high school aged young people are invited to attend.

The official board and the board of trustees will meet the following Monday, September 8, instead of the regular meeting September 1.

Monday: The Couplers Club will picnic at the Rod and Gun Club in the afternoon.

Tuesday: The Bible Class will meet at 10 a.m.

Wednesday: The Prayer Group will meet at the home of Mrs. J. Inman-Kane. All those interested are cordially invited to attend.

Candidates To Speak

The two candidates for county school superintendent, Ralph Harris and Floyd Marchus, will speak Tuesday evening in Stanley School Auditorium at a meeting sponsored by the Lafayette Citizens Committee for Education.

Bert Scarborough, committee chairman, pointed out that the meeting will be an opportunity for school patrons to choose between candidates for "one of the most important county offices."

New officers will be elected and reports given on the group's activities.

Mrs. Covington Taken by Death

Services will be held in San Antonio, Tex., for Mrs. Sue Covington, who died August 26 at the home of her daughter and son-in-law, Mr. and Mrs. Edward F. Ries, of 874 Las Trampas Road, Lafayette. Mrs. Covington, 82, was a native of Tennessee. She lived for many years in San Antonio, Tex., and has made her home with the Rieses for the last few months.

The Chapel in the Valley, Lafayette mortuary, was in charge of local arrangements.

Acalanes Schools Start Year on Tuesday

Classes for the 1958-59 school year will start for the students attending Acalanes High School District schools: Miramonte, Orinda, Acalanes, Lafayette, and Las Lomas, Walnut Creek, Wednesday morning.

Woman Killed By Truck as She Steps to Highway

Mrs. Florence Jessie Forszen of Walnut Creek, a nurse, was dead soon after arrival at Walnut Creek Kaiser Hospital, Wednesday afternoon, after she was struck by a pickup truck on Highway 24, near Lafayette.

California Highway Patrol officers said that Mrs. Forszen was stepping out of her own car, which had stalled, onto the highway when she was struck.

The pickup truck was driven by William Hill of 1311 Juanita Drive, Walnut Creek. Hill stopped to give aid. No citation was issued.

Sutton's Shows New Shoe Line

"We're so happy to have Cover Girls."

That's the theme, outside and in, at Sutton's of Lafayette, 989 Moraga Road.

Cover Girls, as most style-wise women know, are one of the country's outstanding lines of shoes for teen-agers and young matrons.

"Cover Girls have the greatest variety of style, and give young women a wider range of selection, than any other line in the field," said Ed Goodman, manager.

Half of the store's display windows is devoted to a showing of Cover Girl shoes.

Inside, an entire room has been provided for young shoppers who want to look at Cover Girls.

Gaily decorated with school pennants, the room is also a headquarters for teen-age girls. A blackboard on one wall is used by girls who want to leave messages for each other.

Color and high fashion are stressed in the design of Cover Girl shoes, which Goodman calls the "stars of the brightest new shoe shown in town."

Cerebral Palsy Victims Helped at Summer School

By ESTELLE GIRANDE

drawn to a close for all students. But for the summer session held at Shadelands School it had special meaning for the children, parents, and staff.

This was the summer school session for victims of cerebral palsy operated by the Contra Costa Cerebral Palsy Society with funds supplied by the United Crusade. This was the summer school that meant some children were able to attend a group activity or school — for the first time. This was the summer session that meant release for mothers from the constant attention and responsibility of their children—for the first time.

President of the Cerebral Palsy Society, Mrs. Carolyn Hinshaw, said, "It is difficult to put into words the many benefits the summer sessions have helped the children and parents tremendously. As a former schoolteacher I can fully appreciate how much even a little progress means for these children. Then too, this is a release often for the first time for mothers from the endless responsibility and care of their children.

"WE CAN'T BEGIN to tell how much we appreciate the funds provided by the Crusade; the personal interest shown by the school director, the matrons, the bus drivers and everyone else. The public is also showing more understanding and interest for which we are grateful. However, without everyone pitching in and giving so much, our society simply couldn't have done it alone," she emphasized.

With several under three years old, the enrollment was 23 students. Staff included director and teacher for the second year, Miss Mary Catherine Hanna; Mesdames Emmalene Kiihne (for three years), Jean Jones and Pat Disbrow; and mothers assisted two mornings a week. Teenagers Elinor Burton and Carolyn Cook, students at Las Lomas High School, did office chores and acted as therapy assistants.

LEARNING included how to drink liquids, ride specially built trikes and mobiles, or to speak. While many fathers built special mobile equipment Mrs. Kiihne made many needed to help the children navigate by themselves.

"In a sense this a purely socializing program for the children, plus the physical and occupational aspects. This combination helps a long way in preparing children — in some instances — to attend regular school the rest of the year," Miss Hanna explained.

"It is believed that cerebral palsy is caused by damage to the brain most likely at birth," she continued. "As recently as a dozen years ago parents were completely uninformed and hid involved children from the public's eye."

"LUCKILY societies were formed to make studies and the results gave the children a chance at some degree of normal education and activity. With no cure possible, we are merely attempting to teach the children to get around the damaged paths in their systems by training new paths. This frequently involves speech, sight, hearing, hands or limbs—depending on the extent of the damage."

Statistics show that these 'impaired' children have a high percentage of higher intelligence with 4% in the genius bracket, she added.

In 1956 the specially constructed building was built with state aid funds as part of the Mt. Diablo Unified School District, and is adjacent to Monte Gardens Elementary School. Walls and floors are made of heavy linoleum and is splinter and hurt-free for protection of the students.

STATION WAGONS driven by Mrs. Mildred Prophet (this being her third summer) and Mrs. Mary Hennessy (for the 2nd year) fetch and carry the children from communities stretching from Orinda eastward to Byron including Martinez, Diablo Valley, Pleasant Hill, Lafayette, Danville and San Ramon, Brentwood, Antioch, Pittsburg, Oakley, Walnut Creek, Concord, and the Delta area.

An added feature of the 5 week long summer school this year was the conversion of the speech room into a library, which proved very popular with the young students. The project was carried through by mothers of pre-school children of the parents group of the Cerebral Palsy Society.

In summing it up, Mrs. Hinshaw said, "The children enjoyed the class work and playtime activities. They learned to share and in some cases to communicate with someone besides their parents. But perhaps most important they have had an eventful summer — this in contrast to an otherwise long, dull, meaningless summer time. And for this, our heartfelt thanks to everyone."

Re-Organization Group, Trustees To Meet Tuesday

The County School District Reorganization Committee will meet Tuesday night at Acalanes High School, according to Dr. Jack Shahbazian, chairman.

Discussed will be the possibilities involved in reorganizing the central county schools into one overall unified district, including the high school in Walnut Creek, Lafayette and Orinda and all the elementary schools.

An alternative may be re-organizing the elementary schools into three districts, each district with its own high school.

Mrs. Margaret Price, of Walnut Creek is one of the 11 members of the county committee.

Invited to attend are all the school district trustees in Walnut Creek, Lafayette and Orinda.

Assessed valuation of the various districts will be discussed, and the comparative costs of unifying under either alternative.

50 Acres of Grass Burned In Reliez Valley

About 50 acres of grass burned Wednesday afternoon between Reliez Valley and Pleasant Hill Road, before firemen of the Central District brought the flames under control, it was reported.

The firemen answered the call at 3:36 p.m., and the last units did not return to their stations until nearly 8 p.m.

The flames came close to one home, but ditches dug around it saved it. Four trucks from Central District Station No. 1, and one truck from Station No. 2 on Oak Park Boulevard answered the call.

Sherman Clay Warns of Fake Piano Tuner

"We never send piano tuners door-to-door," Sherman Clay manager Douglas Spencer commented this week, after he told The Sun that someone is using his firm's name without authorization.

He said that this person represents himself as a Sherman Clay employee, charges twice the normal fee for tuning a piano and does a bad job to boot.

He warned piano owners to be on the lookout for the man, who has used a fictitious name.

Boy Scouts Start Explorer Program

All dressed up in a new package for older high-school age young men, the new exploring program will be launched by the Boy Scouts of America in November, Admiral Donald McKay, exploring chairman for the Oakland Area Boy Scout Council announced yesterday.

Based on surveys made for the Boy Scouts of America by the Institute of Social Research at the University of Michigan and other groups, the new program is just what the young man asked for.

The researchers questioned a cross section of the two and half million young men between ages fourteen and sixteen years and turned up some good advice on the type of program young men want and need.

Exploring will open its doors to all young men whether or not they have been Boy Scouts, and they may join when in the ninth grade if 14 years old. Those 15, 16 and 17 years old may join regardless of grade. At present there are over 460,000 Explorers in uniform. The Oakland Area Council has almost 1600 in fifty Explorer posts.

Researchers found that today's teen-ager is definitely concerned with attaining maturity and achieving success in some field. The survey pointed out that most young men in this age group know little about vocations and their requirements and want more information.

The new program will offer the opportunity for Exploring Posts to specialize in any one of many subjects ranging from agriculture, chemistry, hi-fi and publishing to zoology. Posts would be designated by their specialty such as atomic energy or radio post.

BEFORE THE BOARD OF SUPERVISORS OF THE COUNTY OF CONTRA COSTA, STATE OF CALIFORNIA

In the Matter of the Proposed Vacation of a Drainage Easement in Altarinda Estates.

RESOLUTION AND NOTICE OF INTENTION TO ABANDON DRAINAGE EASEMENT

IT IS HEREBY RESOLVED that the Board of Supervisors of the County of Contra Costa, State of California, pursuant to the provisions of Government Code Section 50430, et seq., declares its intention to abandon the hereinafter described drainage easement in the County of Contra Costa, State of California:

A drainage easement of record on, over and across Lot 46, Tract 2333, as per map thereof filed for record in the Office of the Recorder of the County of Contra Costa, State of California, said subdivision being commonly known as Altarinda Estates. Said map was filed in Volume 62 of Maps, at page 33.

BE IT FURTHER RESOLVED that the Board does hereby fix Wednesday, September 10th, 1958, at the hour of 10:00 o'clock a.m. of said day, in the chambers of the Board of Supervisors, Hall of Records, Main and Court Streets, Martinez, California, as the time and place fixed for hearing, at which time, or on the date to which the hearing is postponed or continued, the Board of Supervisors will hear evidence offered by any party interested; if the Board finds from the evidence submitted that said drainage easement is unnecessary for present or prospective public use, the Board will make its order of abandonment.

The County Clerk is directed to cause notice of said proposed abandonment to be published in the **Lafayette Sun**, a newspaper of general circulation, published in the County of Contra Costa, for two (2) successive weeks prior to the hearing; and it is further directed that notices be posted along the line of the drainage easement proposed to be vacated. The notices shall be posted not more than three hundred (300) feet apart, but at least three (3) notices shall be posted.

The foregoing resolution was duly passed and adopted on August 12, 1958 by the following vote, to wit:

AYES: Supervisors — Ivan T. Goyak, Mel F. Nielsen, Ray S. Taylor, W. G. Buchanan, Joseph S. Silva.
NOES: Supervisors—None.
ABSENT: Supervisors—None.

I HEREBY CERTIFY that the foregoing resolution was duly and regularly introduced, passed and adopted by the Board of Supervisors of Contra Costa County at a meeting of said Board held on the 12th day of August, 1958.

County Bond Issue Plan Appears Meritorious

County Administrator Desmond Teeter has asked the board of supervisors to call for two bond issues totaling approximately $2½ million on November 4.

A $1,400,000 bond issue would be used to purchase three structures now under lease from the County Employees Retirement Fund — the administration building in Martinez, the two story county hospital ward building and the new county building in Pittsburg.

A $1 million bond issue would provide funds for construction of a 36,000 square foot addition to the administration building and the installation of major mechanical improvements in the basement of the addition.

A 50-BED WARD addition to the county hospital would also be included.

This appears to be sound planning on the part of the county administrator.

The net interest rate of the bond issues will not exceed 3¼ per cent, and could be less, depending on who purchases the bonds. This is "cheap money" in a sense, and will provide what are obviously necessary structures for the county government.

Nobody can question the fact that our county is growing rapidly — so rapidly, in fact, that many of the forecasts made 10 years ago are completely out of date.

THERE IS ALSO little doubt but that the county will continue to grow, and growth demands facilities.

We have criticized the county government from time to time for not planning ahead—for not using the taxpayers' money in what appeared to us to be the most advantageous manner.

But we can also say we approve of certain actions of the county and its officials, and this is one of those actions.

It will obviously be more reasonable in the long run for the county to purchase the buildings it is now leasing.

If we go by the reports of Mr. Teeter—and we are not that familiar with the actual day-to-day conditions, so we must take his word for it — the county offices are becoming increasingly crowded.

THUS THE SECOND bond issue would provide for construction of buildings which would be ready for occupancy by the end of 1960. Mr. Teeter feels that conditions will warrant this amount of space by that time.

It certainly sounds like good planning, and on the surface of it, appears that it should be done.

The supervisors were wise to put this issue to the people in the form of a bond issue, rather than trying to construct the buildings out of a reserve fund which could be built up over a period of time.

AS IT IS, the people will decide, and that is the way it should be.

Again, we commend the county administrator for the planning that has gone into this proposal. Certainly the first proposal is commendable, without reservation, and the second appears to be so, if the figures we have are correct.

This appears to us to be sound thinking and sound planning. This is the kind of thinking and planning that makes for good, efficient, economical government — something that we taxpayers should welcome in this time of rising costs and inflation.

Don't Touch That Dial!

By NORMAN COLBY

The modern housewife, surrounded by her electrical gadgets, has been accused of becoming "soft", but she must still have some of that old "devil-may-care" as she leans with one hand on the kitchen sink, and plugs in her ironer.

A totally unexpected, jolting paralysis, and then death is an excellent possibility for her if the cord is frayed, and freedom-loving electrical charge finds that she is the best connection for its trip to the earth.

The electrical charge in such a case will travel down her arm, across her chest, through the other arm, and through the kitchen sink and its water connection which runs into the ground.

It will strike like its grand-daddy, the lightening bolt, and will allow the stricken woman only a second or two to reflect on what went wrong.

Her husband, children or a neighbor also risk the same fate when they attempt a rescue.

Although there are perhaps slight burns on the hands, it is likely in many Northern California counties that the cause of death will be listed as "heart failure." This has happened in the past.

You don't have to murder someone in a state where they slap a metal cap on your head, attach straps and throw a switch — to learn how it feels.

Handling a defective electrical appliance—radio, ironer, vacuum cleaner, mixer, drill or other electrical workshop tool while standing on a wet floor, damp basement floor or wet grass outdoors — or while touching a bathtub, wash basin home water heater or other "ground" will do the job.

The best thing to do is make sure your electrical equipment is safe, meets the Board of Underwriters, and is in good repair. This requires a little thought and sometimes effort.

Best for outdoors is the electrical connection which has a "third wire," designed to safely carry away the charge even where the other dangerous conditions are present.

Most electrical firms advocate such installations, but often the homeowner says no because it is more expensive.

The modern housewife certainly looks younger thanks to her modern conveniences, including electrical appliances in the home.

If she is smart she will avoid direct contact with her benefactor, who also has the power to make her look dead younger.

Letters to The Editor

APPRAISAL

DEAR EDITOR:

I was very much interested to see the report on the re-appraisal program being conducted by the assessor's office. I only hope that it can be accomplished quickly—and once accomplished, kept up to date. Only through a uniform and current appraisal basis throughout the county, and throughout each taxing entity, can a taxpayer feel any confidence that the heavy taxes he pays represent his fair share—and only his fair share.

However, I was extremely distressed with one statement attributed to Mr. Glendinning—you report him as saying "A lot of empty land has been rezoned to commercial and industrial since it was assessed years ago, and they will now go up in value on the assessment rolls." The word "now" bothers me.

Perhaps you should arrange some form of introduction between the assessor's office and the various planning commissions. Just why in the heck the assessor shouldn't follow up immediately on every re-zoning and immediately re-assess the land that has been raised to a higher status, I can't quite understand. After all, the assessor has found a means to follow up on just about every building permit granted — which usually gets at just the little guy.

Perhaps you could explore why the assessor doesn't follow up and re-assess rezonings granted by the ten, hundred or 1,000 acres so that the owner of that land can pay a fair share of the taxes in the county. The assessor has a long way to go if his system is such that he can find each car port added — but can't find each 1,000 acres re-zoned.

ROBERT KAHN

THANK YOU

DEAR EDITOR:

The members of Sycamore Branch would like to express appreciation to you and the Lafayette Sun for the publicity given our Polynesian Hoolaulea.

The picture you published and the excellent story about our party helped, not only with ticket sales, but also in making the community more aware of the Children's Hospital.

The success of the Luau will assist the Children's Hospital in its work of caring for the sick children of the community.

Thank you very much for your assistance.

Sincerely,
MARGARET SAXE

TRAFFIC HAZARDS

DEAR EDITOR:

Previous letters to The Sun have stated very well the dangers of children walking to school on Moraga Road. The Sun's recent editorial lent emphasis to these dangers — in discussion if not in conclusion. The fact that, according to statistics, injury incidence is greater late at night does not lessen the danger during school hours. Teaching our children proper safety habits sounds sensible, but for them to follow our teaching is difficult at best on this narrow, rough road where there is virtually no shoulder and the speed limit is thirty-five miles per hour. Neither can we rely on the drivers to control their cars at all times under such poor driving conditions.

No matter what the odds are (and they are poor here) the stakes are too high to gamble. And frankly, we are shocked at the position the School Board takes — asking us to make this gamble to effect a really very small economy.

MR. AND MRS.
HORACE E. FIRTH

THANK YOU

Dear Editor:

On behalf of the officers and members of Humpty Dumpty Chapter of Children's Home Society of California, as well as myself, I wish to thank you very much for your generous use of our publicity during the past year.

A fund raising organization such as ours is greatly assisted in its work by keeping its name and activities before the public, and we certainly appreciate your support of our efforts.

Mrs. H. M. Allendorph

SWIMMING

DEAR EDITOR:

The rest of the Lafayette Swim Team mothers thank Mrs. Gavin High for her great letter to you praising Dave deVerona who organized the active Lafayette Youth Association.

Through this training, many junior "Lafayettians" are better swimmers. The swimming staff, including Coach Bob Sherman, Assistant Coach Louise Elsenius, Linda Jordan, Sue Dunshee, Bobbe Hamberg, and Karen Betaque are highly appreciated by the swimmers and their proud parents.

This association has brought out good sportsmanship, good health rules, and provided a jolly good time this past summer.

I would like also to throw a "bouquet of thanks" to Ted Collins and his helpers who planned the Lafayette Summer Recreational program for six weeks at the schools.

If any child was bored this summer in our friendly town, it was his own fault—the rest of us sure had fun!

MRS. BEN WADE

Baldwin to Give Highway Facts

Background of the 1958 Federal Aid Highway Act, under which California will become the state receiving the largest allocation of Federal Interstate Highway funds, will be reviewed by Rep. John F. Baldwin of Martinez at a joint session of the County Supervisors Association of California and the County Engineers Association.

Congressman Baldwin, member of the House of Representatives Highway Subcommittee, will speak at the two associations' annual meeting at 2:30 p.m., September 26 at Fresno.

School Problems Are A Great, Big Headache

By Herman Silverman

I have been told that No. 1 problem of the school board is school bus transportation. Parents don't get too concerned about the school budget, or curriculum or new programs but they will march on the school if the bus schedule is changed or limited.

I hastily state this is not a criticism of the parents. It is certainly understandable. A change in transportation policy means that children may have to walk to school, usually on dangerous streets without sidewalks. This is a major problem in our suburbia.

I suspect that most of us would rather pay a few dollars more than have bus transportation reduced. On the other hand, school trustees are faced with the problem of getting the most "education" from the tax dollar. It is a tough problem and I don't know the answer.

Here is another rough one

A tougher problem, however faces the Richmond Union High School District. Following defeat of a school bond election this year, Richmond has a shortage of classrooms and is considering using the schools 12 months each year.

Again I hastily point out that I am not suggesting this. My family would be very much against it. The plan has been recommended by taxpayers groups and I think you will find the Richmond story interesting. Here it is:

The Richmond Union High School Board of Trustees has authorized a study of the possibility of holding school on a year round basis.

The board unanimously approved a recommendation by George D. Miner, superintendent of schools, that a committee of teachers and parents be appointed to study the matter and report back to the board.

Miner said the main advantage of such a program, which calls for three-fourths of the children to be in school all the time, would be to increase the capacity of the present school buildings.

Other advantages?

Other advantages of such a program, Miner said, would be elimination of over-crowded classrooms and half-day sessions, acceleration of brighter students, an increase in the annual salary of teachers, a substantial savings in building costs, elimination of idle buildings during the summer and a decrease in the annual per pupil cost of operations.

It would be possible for a child to go to school the year round if there were a good reason.

Under the program, which Miner termed an emergency measure, the school year would be divided into four quarters, with one-fourth of the pupils taking their vacation in each quarter.

Miner told the meeting, which was packed with parents and teachers, that children in one family might have different vacation periods.

Lombardy Branch Plans On Barbary Coast Party

Lombardy Branch will turn back the clock 100 years to stage their 'Night on the Barbary Coast" on Saturday, September 13, on the grounds of Orinda Country Club.

"Guests are being invited to arrive at 5 p.m. for a swim before dinner and dancing, and refreshments will be served poolside to early party arrivals," says Mrs. Arthur J. Comerford, chairman for the Branch's annual benefit party for Children's Hospital of the East Bay.

Barbecued steak will be served at 8 p.m. and dancing will follow on the terrace, with music by Paul Faria's orchestra.

Decorations reminiscent of the plush bygone era of elegant femmes fatales and fancy-suited dandies are being planned by Mrs. Miles Sutliffe and Mrs. Russell Patterson.

Others assisting Mrs. Comerford with arrangements for the party are Mrs. Harry Peck, invitations; and Mrs. Thomas Connolly and Mrs. Mark Snover, reservations. Mrs. George Merriam is chairman.

Ice Show is Sparkling Preview to Festival

The "Frontier Days" Ice Show will be co-sponsored by the Walnut Creek Winter Club, the 20-30 Club, and the Walnut Festival Association.

It will be shown Friday, September 12 at 8 p.m.; Saturday, September 13, matinee at 2 p.m.; Saturday, September 13 at 8 p.m.; Sunday, September 14, matinee at 3 p.m.

This Ice Show spectacular will be produced by Neil Rose and Skippy Baxter, co-owners of Iceland. Admission will be 85 cents per person.

PROCEEDS WILL go to the Rheumatic Heart Fund, charity of the 20-30 Club and the Youth Welfare Projects of the Walnut Festival.

"A 'Frontier Days' theme will prove to be a colorful and unique addition offered to Festival-ers as part of our already jubilant program," said President William R. Martin.

The Walnut Festival Association will again sponsor a "Frontier Days" Whiskeroo Contest.

Enterprising local male residents can attest to their masculinity by sporting a beard. Judging will take place at the "Frontier Days" Gun Show, September 20.

"DIG OUT YOUR jeans and let's go western; it's 'Frontier Days' time again, so let's whoop it up", boomed Ted Schroder, Festival treasurer and local insurance broker.

Amateurs are still in the process of competing for the "Frontier Follies" Talent Show. The cash prizes, totaling $500, will be awarded. Persons interested in securing information may call Will Richmond at City School of Music.

"The screening process of these amateurs will result in an entertaining show, a different show being seen each of the nights September 18 to the 20 of the Walnut Festival", announced Entertainment Chairman Herb Miller.

"Festival planning has been well coordinated and all committees are working earnestly.

"Their aim, to create a Walnut Festival to be remembered by all, and to raise funds for the Walnut Festival Association's prime purpose 'Building for Youth'," said President Martin.

Hadassah Plans Benefit Party at Perlman Home

Diablo Valley Chapter of Hadassah is scheduling its most ambitious program, after completing a very successful first year, when it plans to have its "Hoolauleau" luau on Saturday evening, September 6.

The spacious gardens of Dr. and Mrs. Isadore Perlman, 1158 Glen Road, Lafayette, will be converted into an authentic Polynesian scene for this gathering. The back of the home will be decorated to represent a trans-Pacific luxury liner. To add color to the festivities, each guest will be greeted with a lei by the hostesses.

Cocktails will be served commencing at 7:30 p.m., followed by a full-course Polynesian dinner at 8:30. A well planned evening of entertainment will feature the Dell Davis dance group, presenting a review of original Hawaiian dances and music. Community singing and dancing will follow the stage show.

Mrs. Milton Bronson, of Walnut Creek, is chairman of the evening, with Mrs. Amos Leffler, of Lafayette, as her co-chairman. The ladies assisting as various chairmen are Mesdames Edward Simmons, Alexander Babin, Harold Winters, Ervin Schwarcz, George Seiger, Leonard Goldberg, Stewart Bloom, Irving Bloom, William Sawyer, Aaron Bojarsky.

Mrs. Holm Is Dystrophy Group Hostess

Mrs. Namone Holm was hostess to the executive committee meeting of the Contra Costa County Chapter of Muscular Dystrophy of America Association, Inc., Tuesday in her home in El Cerrito.

Mrs. Holm, who is the county president, had just recently returned from a visit to the MDAA headquarters in New York.

She said the attention of more and more of our citizens is being focused on the help needed by volunteer workers in order to find the causes of muscular dystrophy, as has been the case with polio.

Farm Bureau Women to Meet Next Friday

Contra Costa County Farm Bureau Women's county officers, standing committees and center leaders will open the 1958-59 season next Friday at 10 a.m. at Farm Bureau Hall, 5554 Clayton Road, Concord.

The luncheon will be potluck.

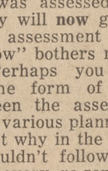

Mrs. Leslie Kerns of Danville, newly elected county chairman, will preside. Serving with her will be Mrs. Pyron Crosslin of Byron, vice-chairman; Mrs. George W. Fox of Concord, recording secretary; Mrs. Dante Littorno, Concord, corresponding secretary; Mrs. Douglas Killingsworth of Orinda, treasurer.

Standing committee chairmen are as follows: Fairs, Mrs. Harry Hobbs of Knightsen; By-laws, Mrs. George W. Fox of Concord; Citizenship, Mrs. Henry Hoffman of Walnut Creek; Health and Safety, Mrs. Paul Somerhalder of Knightsen.

University of California County Home Advisors Mary Ryan Williams and Anna M. Pleasant will work with Mrs. Kerns and her staff.

Broadway Gives Away Pony Saturday

Wise Burro Is Second Prize

This Saturday some lucky boy or girl will be the proud owner of "Broadway Boy," residents were reminded today by George Webster, chairman of the Broadway Merchants Association.

"Boys and girls who visit the Broadway Shopping Center during its Back-to-School celebration will be eligible to win the three-year-old pony," Webster continued.

IN ADDITION to Broadway Boy, a second prize is Benny B. Burro, the wise mule with the long ears.

The drawing for the two animals will be Saturday at 3 p.m. at the "Broadway Corral", in the parking lot across the street from Sterling Furniture Company and Music Town.

Eligible to win the pony and the burro will be people who visit participating Broadway stores.

"No purchase is necessary to win the pony or the burro," Webster commented. "All that is necessary to win is to drop in and sign an entry blank."

"BROADWAY BOY" is a wonderful pony, all white, with a black spot between his eyes. He is friendly and will make a wonderful pet, Webster stated.

Speaking of Benny B. Burro, Webster said: "This gentle animal will be a joy for any boy or girl, so why not drop into any participating store in Broadway and jot down your name and address.

Webster invited residents to attend the drawing and watch "the expression on the face of the boy or girl who wins Broadway Boy or Benny B. Burro."

WHAT YOUNGSTER wouldn't be delighted to be the owner of this pony? He's "Broadway Boy," to be given away free to some lucky boy or girl. Youngsters and their parents can obtain entry blanks at participating Broadway stores. No purchase is necessary. The drawing will be held at 3 p.m. Saturdays at The Corral in the parking lot across from Sterling Furniture. Riding the pony, raised by Norman Geist, is his daughter, Norma, 7.

Children's Shoes Show Wide Range

A wide range of shoe styles, patterned after the top trends in adult footwear, is ready to fit the needs of every boy or girl for school, dress or rough-and-tumble wear.

Shown in lightweight leathers that support growing feet without constriction, young shoes follow the trend toward a gently tapered toe and a general look of lightness.

For little girls, the flat-heeled, round-throated pump in colorful leathers is one of the most popular styles. It's varied to include bows at the vamp, swivel straps that can be worn several ways, low-set instep straps or T-straps. Slip-on styles feature peaked tongues or tab effects at vamp.

Shoes for young boys accent streamlined lightness, flexibility and sturdiness. Fashioned after shoes worn by Dad or big brother, the moccasin toe, three-eyelet tie in finely textured leather is a popular shoe for all-round wear, as is the traditional wing-tip shoe, slimmed down.

NEWS for the young crowd is chemise jumper, in homespun-look cottonsilk, color - coordinated cotton print blouse.

Cool Air and 'Cool' Bargains In B'dway Stores

It's hot outside, but it's so-o-o cool inside all the stores in Broadway Shopping Center!

"Many women have said that they love to browse about Broadway just to pass an afternoon comfortably," remarked Betty Batesole of the Broadway Merchants Association. "While remaining cool, you can look over some of the cool, cool bargains. And those warm evenings become cool, when they are Thursdays and Fridays, the late nights, at Broadway!"

Datewear Dresses on Parade Saturday at Capwell's

The second in a series of fashion shows featuring back to school styles will be presented Saturday at 3 p.m. in the Collegian Room of Capwell's, Broadway Shopping Center, Walnut Creek.

The first showing, last Saturday, featured jumpers and relaxed causuals, according to manager John Tague.

THE SHOW this Saturday will be geared to show fashions for "datewear," Tague noted.

Modeling the fashions on the second floor will be members of Capwell's High School Board.

They are Susan Albright, San Ramon High School; Marilyn Lough, Pittsburg; Sonja Halvorsen, Mt. Diablo; Linda Warren, Pleasant Hill; Kathy Street, Pacifica; Susan Emerson, Acalanes; Jennie King, Las Lomas; Carole Autentico, Antioch; Carol Griffiths, Miramonte and Sheila Cahill, Alhambra.

MRS. PAT FINK, well-known fashion commentator and coordinator, will be in charge of the proceedings during the showing.

This fashion parade will be followed September 6 by a bridal show in the Bridal Salon, also on the second floor of Capwell's, Walnut Creek.

High School Grid Practice Opens

Coaches Bank Outcome On Lettermen, Weight

The prep football season gets under way with a bang as physicals and gear-issuing have been the order of the week.

The Diablo Valley Athletic League is divided into three divisions this year, so history is in the making in more ways than one.

The Foothill Division consists of San Ramon High of Danville, Las Lomas of Walnut Creek, Acalanes of Lafayette, Miramonte of Orinda and Piedmont of Piedmont.

THE CONTRA COSTA Division has Antioch, Pittsburg, Pacific of West Pittsburg, Mt. Diablo of Concord and Pleasant Hill.

The third division, called the Eastbay Section, has as members Liberty High of Brentwood, Livermore, Amador of Pleasanton, Albany, John Swett of Crockett and Alhambra of Martinez.

Clayton Valley is a new school which will compete in all varsity sports except football as a member of the Contra Costa Division.

Next year Tice Valley of Walnut Creek opens with freshmen only and in time will become a full fledged member of the Foothill Division.

PRACTICE IN the Eastbay and Contra Costa Division got under way on Thursday, while the Foothill group goes at it starting bright and early Monday.

The local "picture" in brief:

AT PLEASANT HILL Head Coach Hal Briggs has 104 in the fold with practice starting yesterday. His Rams came a long way last year but were hit heavily by graduation. They do have seven lettermen returning in Roger Leonard, Butch Crowder, Bill Locatelli, George Adams, Bob Stice, Walter Dathe and Dave Shepperd.

The Rams practice schedule: September 19, San Ramon, there; September 26, Acalanes, there; October 3, St. Mary's at Concord; October 10, Las Lomas, there.

SAN RAMON HIGH, with Coach Marv Ashby in his second year at the helm has one of the largest crews of lettermen returning, with 15 out of a turnout of 70.

Physicals and gear-issue are behind them and when practice opens Monday the returning lettermen will be Ed French, Mike Oaks, Charles Hancroft, Jim Furlong, Dan Noecker, Chuck Riddle, Mike Furlong, Charles Wright, Dick Needham, George Kollery, Mike Kyle, Gary Johnson, Craig Lindgren, Loren Walker and Rick Strachen.

The San Ramon schedule: September 19, Pleasant Hill at San Ramon; September 26, Liberty at Brentwood; October 3, Livermore, there; October 10, Amador at San Ramon.

AT LAS LOMAS High Coach George deKlotz reports a turnout of 120 with physicals finished and gear-issue winding up tomorrow before practice opens on Monday.

Ten senior lettermen are on hand in Don Hopkins, Steve Moore, Jim Hemstalk, Clark Ransome, Bob Blower, Dave Weill, Randy Olson, Rob Gomez, Jeff Beaubien and Tom Leonard.

The Las Lomas practice schedule: September 19, Francis Drake at Las Lomas; September 26, John Swett, there; October 3, Alhambra, there; October 13, Pleasant Hill at Concord.

AT ACALANES Coach Jack Carhart reports a turnout of 120 with two junior and five senior lettermen on hand. The juniors are Lou Cosso and Jim Holdren; the seniors, Phil Condit, Mike Kritscher, Bob Marello, George McMeans, Dewaine Stults and Jim Walker.

Acalanes practice games: September 19, Alhambra there; September 26, Pleasant Hill at Acalanes; October 3, Diablo at Acalanes; October 10, Pacifica at Concord.

MIRAMONTE will begin its first year of varsity ball and will depend on lettermen up from the junior varsity.

Bob Brooks takes over as head coach, and expects a turnout of 60.

The Miramonte schedule: September 19, Pacifica; September 26, Livermore; October 3, Al-

PIEDMONT HIGH is rated as the pre-season choice in the Foothill Division.

Coach Bob Muenther was out of town but was to return late this week for gear-issue and physicals preparatory to Monday's opening practice session.

The Piedmont crew has 10 returning lettermen whose names were unavailable due to Muenther's absence.

The Piedmont schedule: September 19, Oakland High; September 26, Alhambra High; October 3, Fremont; October 10, El Cerrito.

New Players Question In Prep Pigskin League

By ERWIN MATTSON

Summer vacations are a thing of the past for the prep football players and coaches as they wait poised and ready for the rapidly approaching grid season.

Physical examinations and gear-issue are a tedious but necessary task which must be undergone before practice sessions get underway.

All clubs have returning lettermen—some more than others just as turnouts vary in number.

The difficult thing to judge is how many will rise up from the unlettered ranks and what the output of the lettermen will be.

★ ★ ★

Often players are at their best on their way up, and once they reach the top, making the first club, they become contented and slack off.

New formations and new play alignments are in order as the progressive coach and usually the successful ones adapt their system and plays to the material on hand.

A good part of the success of any club has already been determined long before players report for gear and practice sessions.

The big question is always attitude—and along with that how well has the individual player conditioned himself mentally and physically over the summer months.

The one who waits until the opening day to start thinking football and getting ready for it has two strikes on him to begin with.

★ ★ ★

Early practice sessions and practice games will soon tell the story.

The new Foothill Division gets underway and the rivalry promises to be keen, particularly in view of the proximity of the schools. Look for top crowds as travel distances are short.

To pick winners in the various leagues is a guessing game at this time, but a good guess in the Foothill League is Piedmont High, with Las Lomas the most likely to upset the dope bucket.

Acalanes and San Ramon figure to battle it out for the third spot with Miramonte having its problems in the first year in varsity football.

★ ★ ★

One thing certain is that the dopesters will have a field day figuring comparative scores prior to league play as Piedmont, Acalanes, Las Lomas and San Ramon all have a common opponent in Alhambra High of Martinez.

Alhambra Coach Jim Coulter has a veteran squad and it's figured to furnish plenty of stiff competition.

Las Lomas, Acalanes and San Ramon also face Pleasant Hill in practice tilts.

It will be interesting to see how teams fare in league play from results of games during the practice season.

In the Contra Costa Division the club picked to win is Pittsburg, with Diablo given the runnerup spot. Pleasant Hill and Pacifica look to be the next best with Antioch, hurting from heavy graduation loses, winding up close to bottom.

Hardtop Highlights

By JEAN McGUIRE

Contra Costa Speedway fans watched a rough show at the hardtop races Saturday Night. And from all indications it will get even more so as the competition for high man in point standings gets sharper.

The hardtop season ends in October, and the drivers are "throwing caution to the winds" as they say, in their battle to earn as many points per race as possible. That $500 reward for the top pilot in the association looks mighty good to all of them.

Hugh Purdy of Santa Rosa, who won the main event Saturday night, is still at the head of his class, with Wally Baker close on his wheels. In third place is LeRoy Geving followed by Johnny Franklin, Julian Castro, Gene Dudley (last year's BCRA champion) Ted Montague, PeeWee Waybright, Chet Thomson and Mel Baker.

OUR LOCAL leadfoots were few and far between last week. Some had cars out of commission, while others brought their rides as far as the track but were unable to enter them in competition.

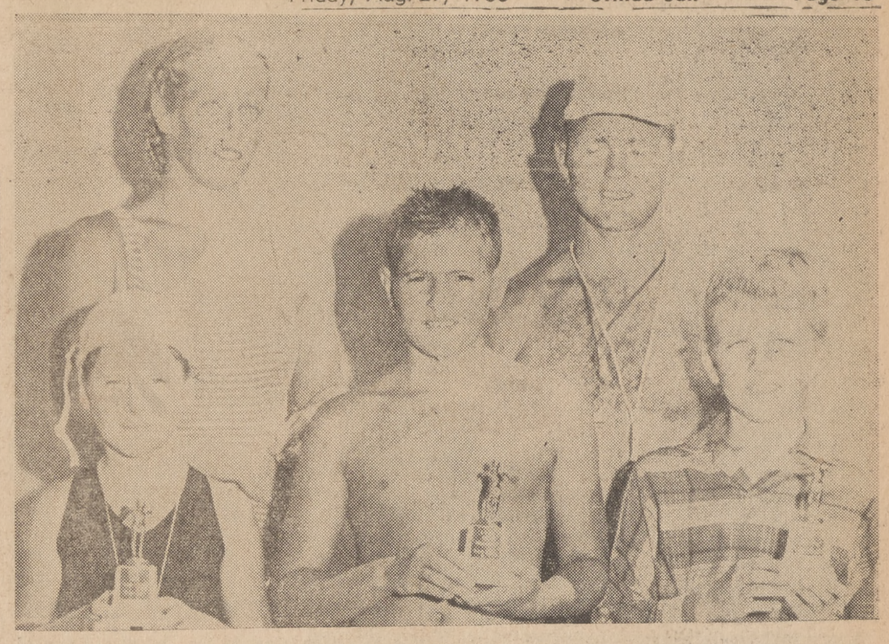

Concord's Jack Huddleston showed us a brand new car this week, Number 108. But, as frequently happens, it was still running sick. Jack appeared in the first heat. A couple more weeks to get the bugs out and we'll watch Huddleston's dust.

DOE PAYNE, also of Concord, was the sixth fastest qualifier in his neat little number 6, sponsored by Dyas Bros. Richfield Service. Payne came in fifth in the fourth heat, and made a brief appearance in the main event before engine trouble forced him out.

Chet Strock, Concord "Speed Merchant" did another terrific job in his number 10 "Rocket." He took third place in the first heat, second in the final, and was looking great in the main until he was hit and spun out. Chet came back undaunted however, to win the consolation race. Pacheco's Tim Kelly took third place. Kelly drove number 37 for the first time. Good job, too.

Better get to the speedway early tomorrow night if you want a seat for the big hundred-lapper. Time trials start at 7:15, first race at 8:30.

When you shop at home you save gas, tires, nerves, and time. Try it!

TROPHIES WERE AWARDED at Acalanes High School Saturday to these championship swimmers. Front row, from left, Elaine High, Bryan Hawes and Ron Medak. Rear row, from left, are Louise Elsenius and Bob Sherman. —Sun photo by Richard Morse.

Swim Team Ends Season With Trophy Presentation

The Lafayette Youth Association Swim Team ended its first season with the presentation of Saturday trophies to the eight outstanding performers of its 30-member squad.

Those honored were Bob Bowles, Rick Bowles, Pat MacPherson, Tom MacPherson, and Sharon Martino.

More than 1600 youngsters took swimming lessons during the season, said Coach Bob Sherman, who predicted that next year's program would be even more successful.

THE LAFAYETTE Swim Team took part in five meets and won two, which Sherman called "a very good record for our first year of competition."

Winners of the last open meet of the season were:

FREE STYLE—6 and under, boys, Denny Dorr; girls, Sheryl Stringer; 7 and 8, boys, Jeff Broviac, Bruce Harrel, Steve Bowles; 9 and 10, boys, Brandon Savage, John Dorr, Ron Stringer; girls, Marylee Wade, Elaine High, 11 and 12, boys, Bryan Hawes, Barry Goggin, Allen Myers; girls, Holly Broviac; 13 and 14, boys, Phil Simon.

100-yard free style, 10 and under, Holly Broviac, Ron Stringer, Jim Elliot; 11 and over, Bill Broviac, Phil Simon, Bryan Hawes.

BREAST STROKE—8 and under, boys, Ernie Elliot, Gary Conrad, Steve Bowles; 9 and 10, boys, John Dorr, Jim Elliot; girls, Marylee Wade, Holly Broviac, Elaine High; 11 and 12, Allen Myers and, in tie for second, Phil Simon, Bryan Hawes, Barry Goggins.

BACK STROCK—8 and under, boys, Jeff Broviac, Bruce Harrel; girls, Sheryl Stringer; 9 and 10, boys, John Dorr, Ron Stringer, Jim Elliot; girls, Holly Broviac, Elaine High; 11 and 12, Bryan Hawes, Barry Goggins, Phil Simon.

PH Swim Team Defeats Orinda

The Orinda Swim Team was defeated by the Pleasant Hill Swim Team by a score of 306-199 in a rousing dual meet Sunday. The meet was held in Pleasant Hill.

At the beginning of the meet, the two teams were fairly close together, but the PH team soon obtained a big lead. Fine performances were displayed by both teams.

Outstanding performers were: Four-event winner, Barbie Brush, 12 and under girls; two-event winners: Sandy Poulsen, 14 and under girls; Wayne Webster, 14 and under boys; Caroline Johnson, 8 and under girls.

BACK TO SCHOOL fashions will be on display during a fashion show in the Collegian Room of Capwell's tomorrow afternoon at 3. Preparing for the show are Pat Fink, coordinator; Susan Emerson, Jeanne King, Carol Griffith and Linda Warren. The girls are members of Capwell's High School Board. —Sun photo by Richard Morse.

Barn Dance Planned by Local Group

Members of Walnut Branch of Children's Hospital of the East Bay have issued invitations for their annual Barn Dance to be held on Saturday evening, September 6.

Joseph Silva has once again donated his assistance as well as his large barn in Diablo for the Branch's popular "hoe-down".

Guests will wear typical rural western clothes as they enjoy a robust spaghetti dinner and later dance to the four piece orchestra of Bob Silviera of Walnut Creek.

During the evening an exhibition square dance will be seen with one of the experts of the area calling the dances. There will be games and lots of excitement and fun for the hundreds who will attend.

All proceeds from the dance will be given to Children's Hospital of the East Bay for the care of children from Contra Costa County.

UCLA BECKONS—Mr. and Mrs. James S. Lindsay, who were married in St. Paul's Episcopal Church, Walnut Creek, August 9. She is the former Janice Lyn Read of Alamo. They both plan to continue their studies at the University of California, Los Angeles, this fall. —Ted Gurney Photo.

Suzuki to Speak to Garden Club

The Diablo Women's Garden Club will meet at 10:30 a.m. Wednesday at the Diablo Country Club.

Mrs. King Tolles, president, urged all members to attend so that they can take part in an important business meeting.

The speaker will be Dr. Harvey Suzuki, University of California professor, who will speak on the Bansai, and display two samples of Bansai culture.

An authority on gardening, Dr. Suzuki will also demonstrate arrangement procedure. Born in Hawaii, he is one of a family of eight, all of whom are in the professions.

Plan Barbecue, Swim Party

Members and husbands of the Kappa Delta Alumnae Association of Central Contra Costa County will hold their annual barbecue and swim party at 6 p.m. tomorrow, at the home of Mr. and Mrs. Norman Karvelis, 3112 Fitzpatrick Drive, Concord.

The first business meeting of the group will be held Wednesday at 8 p.m. at the home of Mrs. Ronald Prouty, 3175 Teigland Road, Lafayette.

Plans Fashion Show, Oct. 8

Along with the usual harvests of the autumn season the Mother's Club of St. Isidore's Church in Danville is planning a Harvest of Fashions, luncheon and fashion show, to be presented at the Castlewood Country Club on October 8.

The Clothes Horse, Expectation Shop and Tots N' Teen Shop of Walnut Creek will provide the fashions for this event.

Mrs. Werner Petersen, Alamo, is general chairman and Mrs. Robert Fisher, Diablo, ticket chairman. Tickets may be purchased from any Mother's Club member.

Suburban Woman's Club Plans Annual Barbecue

Before getting into their busy club year, members of the Lafayette Suburban Woman's Club and their husbands are looking forward to the annual barbecue to be held Saturday, September 6.

The steak barbecue will be held at the home of Mr. and Mrs. Andrew Kritscher, 1111 Hilltop Drive, with their pool as the setting for pre-dinner cocktails. Dancing on the patio and swimming will follow.

Committee members are: Mrs. Robert L. Bartak and Mrs. Richard Stultz, general chairmen; Mrs. Victor E. Gatgens and Mrs. Roger Morrison, food chairmen; Mrs. Richard Stultz and Mrs. Stuart C. Smith, cocktails; Mrs. George A. Haber and Mrs. Arthur O'Rourke, invitations and reservations; Mrs. Stuart C. Smith, music.

Husbands who have volunteered to cook the steaks are Mr. William Banks, Mr. Robert Bartak, Mr. Victor Gatgens, Mr. Robert V. Lundquist, Mr. R. Don Young.

DISPLAYING ONE of the posters which will decorate the home of Mr. and Mrs. John Dorr of Orinda for the "Gay Night in Paris" party of the Linden Junior Branch of Children's Hospital September 6 are, from left, the Mmes. Philip Samuel Warren Smith.

Linden Junior Branch Plans Benefie Supper

"A Gay Night in Paris" is anticipated by members of Linden Junior Branch, Children's Hospital of the East Bay when they gather with their husbands and friends on Saturday evening, September 6, for buffet supper and dancing at the Orinda home of Mr. and Mrs. John Dorr, 38 Oakwood Road.

The shadow of the Eiffel Tower will dominate the Parisian street scene which will be recreated for party guests "sightseeing." Intimate beneath their individual umbrellas will be the street-side supper tables, covered with red and white checked tablecloths, candles glowing in the wine bottle centerpieces.

Strolling musicians will play throughout the evening, and Bay Area artists have been engaged to do portraits and caricatures of the guests.

Assisting the hostess, Mrs. Dorr, who is chairman of Linden Junior, will be a decorations committee composed of Mrs. James L. Chapple and Mrs. C. Lawrence Raymond. Mrs. Victor H. Graber and Mrs. Carl W. Smith will supervise preparation of the buffet.

Also busy with party plans are the Mmes. David A. Bryant, Harold W. Dornsife, Tyko A. Enbom, L. G. Foster, Norman J. Hearn, Volney LaBarthe, Charles R. Nelson, Douglas C. Richards, Samuel W. Smith, and Lionel G. Sullivan.

Marillyn Shipherd is New Bride

Southern California and Mexico were the destinations of Mr. and Mrs. Edward L. Johnson, who were married July 26 in Oakland.

She is the former Marillyn Jeanne Shipherd of 105 Summit Road, Walnut Creek, daughter of Mr. and Mrs. F. Raymond Shipherd.

They plan to live in Daly City.

Marillyn, for her wedding, wore a white silk dress with scoop neck and chapel train, trimmed with imported lace. Her fingertip veil was caught by a Swedish beaded crown, white spathefelum and fleur de Moer.

Her maid of honor was Geraldine Hunt of Martinez, and attendants were Mrs. Charles White of San Jose, Mrs. Robert Miller of San Jose, Miss Sue Warth of Las Crescenta, Jody Young of Albany.

Junior bridesmaid was Carollyn Shipherd, sister of the bride.

Edward Zumsteg of Oakland was best man, and ushers were Kent Shipherd, the bride's brother, Stan Kilstrum of Oakland, Robert Miller and Charles White of San Jose.

A reception was held at the El Nido in Lafayette. The new Mrs. Johnson attended Alhambra High School, East Contra Costa Junior College and San Jose State College. She is a member of Chi Omega sorority.

The bridegroom attended Fremont High in Oakland, and San Jose State, where he was a member of Delta Upsilon.

Cottonwood Branch Sets Party for Jackson Home

A "Cotton Pickin' Party," at which Cottonwood Branch of Children's Hospital of the East Bay will entertain some 200 members and friends of the hospital from 5 to 8 p.m. on Saturday, September 6, will be held in the patio of George T. Jackson home, 24 Owl Hill Court, in Orinda.

Mrs. Gene Hopper, chairman of the hostess Branch, has asked Mrs. Fred Bussey to be general chairman for Cottonwood's annual benefit party, proceeds from which will aid the hospital's charitable program for needy youngsters.

Feature of the pre-dinner gathering will be "cotton-inspired entertainment," according to Mrs. Bussey, with party divertissements all inspired by hostess Branch Cottonwood's name.

Reservations for the affair may be made with Mrs. Bussey at 7 Los Dedos, Orinda, CL 4-4236, or with Mrs. Carlyle Wells, 124 Hermosa Avenue, Oakland, OL 4-4591.

Neophytes Are Welcomed By Clipped Wings Club

The introduction of new members of Clipped Wings was the most pleasant event of the August 19 meeting in the Lafayette home of Mrs. Terry R. Haws. A purely social meeting of the ex-stewardesses of United Air Lines allowed a real welcome to the neophytes, Mesdames Dan Lasar, of Alameda; William Montagne of Montclair; Michael Noonan, Hayward; Jack Hess, Niles; Pen Whitehead, Walnut Creek; Jack Setzer, Pleasant Hill; and Elmer N. Place of Lafayette.

Clipped Wings president, Mrs. John Tsarnas of San Lorenzo, revealed that the newly formed East Bay chapter has been selected as hostess chapter for the all-bay area annual Christmas dinner dance.

Attending the dance December 6 together with the East Bay group will be the Palo Alto, San Mateo (including San Francisco) gala party, the group's first to be held on the east side of the Bay, will have as locale the Lake Merritt Hotel dining room with the orchestra of Jack Fina providing music for dancing.

A recent board meeting held at the Sleepy Hollow home of Mrs. Coleman Huntley in Orinda resulted in the announcement of a calendar of special events for the year of 1958-1959.

In addition to monthly meetings for the membership and the December dance are planned a September 20 Fashion Show Luncheon at Ming's in Palo Alto, a Founders' Day Luncheon at Sabella's in San Francisco, a February 14 Valentine luncheon at Canton Ferry in Oakland, an April benefit dessert bridge party, and installation of officers luncheon in the International Room at San Francisco Airport. and Marin County chapters. The

Newcomers Hold Bridge Party

The Newcomers Club of Orinda's three bridge groups met last week. Members and their spouses enjoy the evening, daytime, and the couples club bridge sessions each month, where a sharpening of wits and socializing combine to make happy times for all.

The evening bridge group met at the home of Mrs. James H. McDonald where top honors were taken by a guest and newcomer, Mrs. William Luecker. The daytime group gathered at the home of Mrs. Lester W. Chaney where top honors were captured by Mrs. Maurice Enos. Members of the Couples Club met at the home of Mr. and Mrs. Marvin Yost, who also secured top honors for the evening.

Each month Newcomers look forward to the second Wednesday for evening bridge, the third Thursday for daytime bridge, and the first Saturday for the Couples Club bridge. Hostesses for the events in September shall be Mrs. John Hallenbeck, Mrs. Clifford D. Bowler, and Mrs. Arthur K. Flanagan respectively. Any newcomer to Orinda within the past year is welcome to join the Newcomers Club, and to attend any bridge gathering. Any newcomer interested may call Mrs. Lester W. Chaney at DR 6-4648.

Joan Apostolo Becames Bride of Angelo Marchi

Establishing their first home in Berkeley are Mr. and Mrs. Angelo P. Marchi, (Joan D. Apostolo) who have returned from a honeymoon trip to Southern California.

Their vows were exchanged at an afternoon ceremony August 10 at Santa Maria Catholic Church in Orinda, Father Harrington officiating. Joan is the daughter of Mr. and Mrs. Stephen Apostolo of 4049 Valente Court, Lafayette.

THE BENEDICT is the son of Mr. and Mrs. Joseph Marchi of Oakland. Given in marriage by her father, the bride wore a gown of nylon shiffley embroidery, long fitted sleeves, with a sabrina neckline trimmed with iridescent sequins.

The fitted empire bodice of nylon had an embroidery, overskirt, over an entire ruffled underskirt, forming panels into a chapel length train. A crown of seed pearls and sequins held the elbow length illusion veil. She carried a bridal prayer book arranged with white orchids and bouvardia streamers.

The bride was attended by Marilyn Dematteis of Redwood City as maid of honor and Carol Apostolo, sister of bride, Irma McLeod of Lafayette and Chardell Forno of Oakland were bridesmaids.

They were attired in powder blue lace sheaths with overskirts of nylon organza. Their headpieces were blue nylon net, held in place by a minature Dior bow.

The maid of honor carried a cascade boquet of pink carnations with matching ribbons.

NICOLETTE VALENTE of Lafayette, niece of the bride, as flower girl wore a powder blue nylon frock and carried a pink colonial boquet with streamers of pink ribbon and a headpiece to match.

The church was arranged with white gladiolas, white stock and white crysanthemums, and the reception flowers carried out the same scheme.

The mother of the bride wore a royal blue Italian silk faille St. Laurent design with a butterfly bow, matching shoes and bag, white feather hat and long white gloves.

THE GROOM'S MOTHER was dressed in a silver grey embroidered organza over taffeta, with a pink hat and silver grey gloves.

Aldo Dossa of Oakland served as best man and Jerry Apostolo, brother of the bride, Joseph Paolette of Oakland and Vince Vinella of Oakland were ushers.

The reception was held at the Fratellanza Club in Oakland where the bride and groom received more than 300 guests.

Scholarship Awarded

Hans Altorfer of Lafayette, a freshman in letters and science, has been awarded a regents' scholarship at the University of California at Berkeley.

St. Stephen's Organist To Study for Doctorate

After four years of service as organist and choirmaster of St. Stephen's Episcopal Church in Orinda, Donald Aird will leave next month for the University of Southern California where he will be a candidate for a doctorate in musical arts.

During his association with St. Stephen's, Aird was also director of the Berkeley Chamber Singers, with whom he has served for seven years, arranging with them concerts which have received wide critical acclaim. The Berkeley group has recorded Bach, Hindemuth and Josquin Des Pres, and has appeared on television over KQED, and the FM station KPFA.

Aird received his masters degree in music and composition at San Francisco State College in June of 1957, and for the past year has been a lecturer at Stanford University and associate university organist there. At the same time he taught at San Jose State Teachers College and Dominican College in San Rafael.

IN ADDITION to directing both senior and junior choirs at St. Stephen's, Aird sponsored a series of seven choral evensong concerts, including the Bach cantata "Ein Feste-burg" and climaxed by Brahms' "Requiem" by the St. Stephen's Choir, and this Fall plans to present the Bach "Magnificent".

Aird is married to Carol Brooke, the prominent Bay Area lyric soprano, who has been commended by local critics for her musicianship and interpretation. As indication of the versatility of this musical pair, the Airds are members of "The Scraggs Quartet" which won the first award in the "Miss Olympics" at Woodminster in Oakland in October of last year, a hillbilly group of the coonskin-cap and bare feet variety.

CAROL AND DON have two children, Brooke, age 3, and Samela, 8 months, both of whom, appropriately enough, were born on Sunday, precisely during the time when Aird was holding forth at the organ at a St. Stephen's service.

A new organist and choirmaster is being sought by the Orinda church, Dr. Lawrence Moe of the University of California taking Aird's place in the interim. Applicants are being interviewed by the church committee comprising Dr. A. C. Hollister, representing the Vestry, Mrs. William Sparling, the congregation, Mrs. Lyndon Vivrette, the choir, with Donald Aird as advisor. Appointments may be made by calling Mrs. Vivrette at ATlantic 3-6302.

Club Sells Tickets to 'Desk Set'

The Lafayette Women's Club has charge of ticket sales for "The Desk Set" performance by the Dramateurs on Thursday, September 4 at Town Hall in Lafayette. Admission tickets to this most delightful comedy may be obtained from Mrs. James B. Harbuck at 3335 N. Lucille Lane, Lafayette; phone AT 3-6014.

Top comic actress of this play is Oreallia Salonen, who plays a chief librarian leading the library staff in opposition to a mechanical brain which they think is going to replace them. Franklin Sher plays the efficiency engineer. This comedy played two years in New York to capacity audiences.

Mrs. Harold E. Mutnick, President of Lafayette Women's Club, announces that this event, which the club is sponsoring for the September 4th showing, is an opportunity for unexcelled entertainment for theatre parties. Tickets are $1.50. Doors open at 8:00 p.m.

When you shop at home you save gas, tires, nerves and time. Try it!

Art Show to Highlight '58 Festival

The Fourth Annual Walnut Festival Art Show will be held September 18-21 in the East Room of the Walnut Creek Recreation Center on Civic Drive.

New works of the Diablo Art Association's local artists will be on display and some will be for sale.

Art Chairmen Mrs. Katy Madsen and Mrs. Lorraine Myatt have invited the public to view the show and vote on their favorites. Prizes will be awarded on the basis of popular ballot.

The gallery will be open Thursday and Friday evenings, September 18 and 19, and all day Saturday and Sunday.

Free X-Rays Are Available

Free chest X-rays will be available to residents of the Walnut Creek area, 15 years and over, next Friday.

The X-ray unit will be located at 1400 Broadway in the Broadway Shopping Center, and will be open to the general public from 2 to 5 p.m. and from 6 to 7:30 p.m.

Free chest X-rays are provided by the County Health Department as a part of its Tuberculosis Control Program.

Sleepy Hollow Planning Breakfast Celebration

An early morning round-up featuring a chuck wagon style breakfast, swimming and games will take place at Sleepy Hollow Pool Saturday, September 13, between 9 a.m. and 12 noon.

The event is the first activity to be jointly sponsored by the Sleepy Hollow Recreational Association and the Sleepy Hollow Improvement Association and will mark the opening of the new picnic and barbecue area at Sleepy Hollow Pool.

Breakfast is being served in a western style by Clark's Market of Rheem. All members of the pool and their friends, as well as all residents of Sleepy Hollow are invited. Bob Dozier, pool president, and Bill Lenord, Improvement Association president, advise that the proceeds from the breakfast will be utilized in improving the picnic and recreational areas.

Assisting in arrangements are Mel Nickerson, pool manager, Gladys Hamburg, Lee Hamilton, and Sterling Smith, chairman.

Jaycees Help Fix Thrift Shop For Re-Opening

Walnut Creek and Lafayette Jaycees took brushes in hand last weekend to aid in remodeling the Thrift Shop, East Street, Walnut Creek.

Several members of each Junior Chamber of Commerce put a new coat of paint on counters and tables in the shop, which is operated by the Linnet and Linnet Junior units of the Mt. Diablo Therapy Center. The shop is scheduled to reopen Thursday.

William Gregory On Navy Carrier

Navy Chief Warrant Officer William E. Gregory, son of Thomas Gregory of 1902 Vicki Lane, Walnut Creek, is serving aboard the attack carrier USS Midway which departed the states August 16 for an extended cruise in the Western Pacific as a unit of the U.S. Seventh Fleet.

Kiddie Pool is Open to Tuesday

The spray pool and "small fry" play area at Walnut Creek City Park will be open and supervised through Tuesday, including Saturday and Sunday of Labor Day weekend, from 1 to 4 p.m.

Don't Follow Too Closely

A minimum of one car length for each 10 miles of speed is a good rule of thumb to use when following another car in traffic says the California Highway Patrol.

"Drivers who follow this rule, allowing additional extra distance on wet or slippery surfaces, will find it easier to avoid rear-end collisions with the car ahead," stated Captain Russel R. Magill of the Patrol's Martinez Area office. "Last year in California, drivers following too closely were involved in 5,083 injury and fatal accidents.

"Following another vehicle too closely, creates serious problems when the car ahead is stopped quickly in an emergency," Magill said.

Darling, it came! And it's already saving me steps!

An extension phone can be your *greatest* kitchen helper. It saves you steps and time every day—lets you make and take calls right where you're working. Like color? You can choose from a cheery rainbow of shades* that spark up your kitchen (or bedroom) like a bright bouquet. An extension telephone costs so little, too: only $1.00 a month after installation. Why not call your telephone business office today and ask about a step-saving extension—in *color*. It'll be the smartest thing in your home.

*Wall phones come in these 7 colors with matching springcords: Ivory, Moss Green, Cherry Red, Pastel Yellow, White, Light Beige and Light Grey. Table phones come in all these colors plus Rose Pink and Aqua Blue.
